Valentine Cards

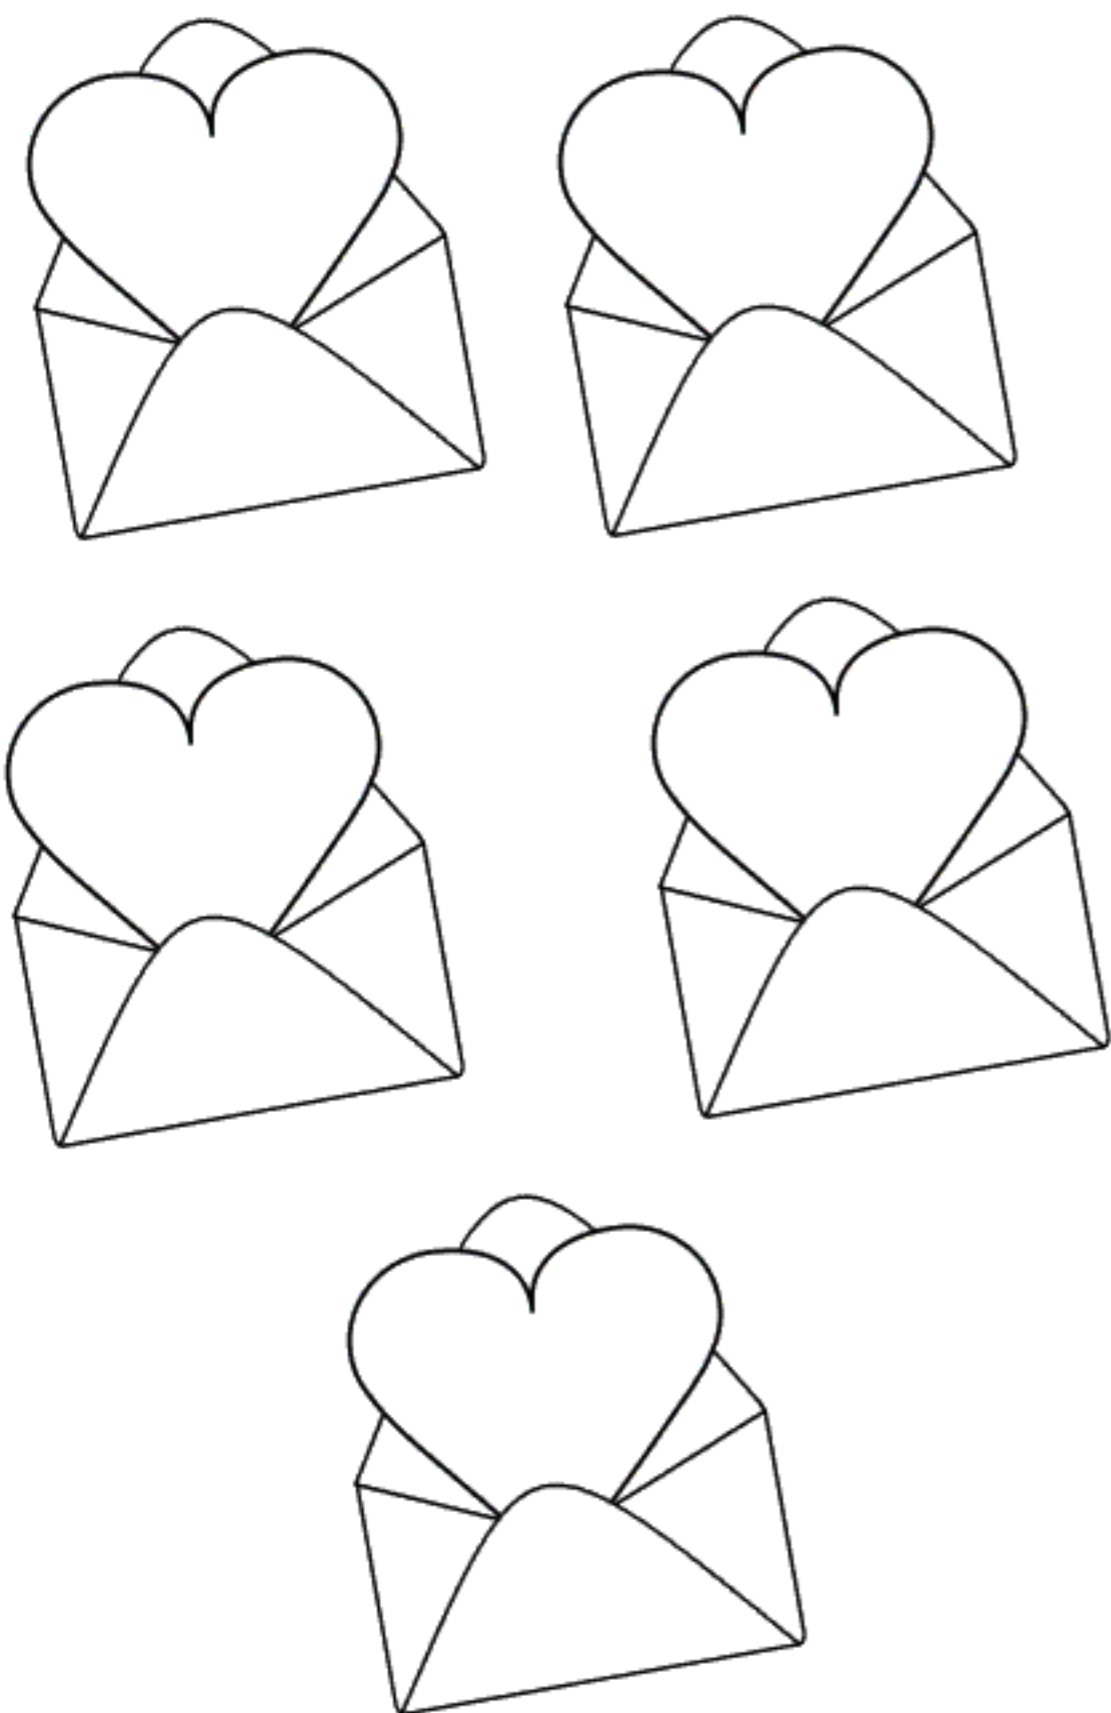

On Monday, one valentine came in the mail.

On Tuesday, two valentines came in the mail.

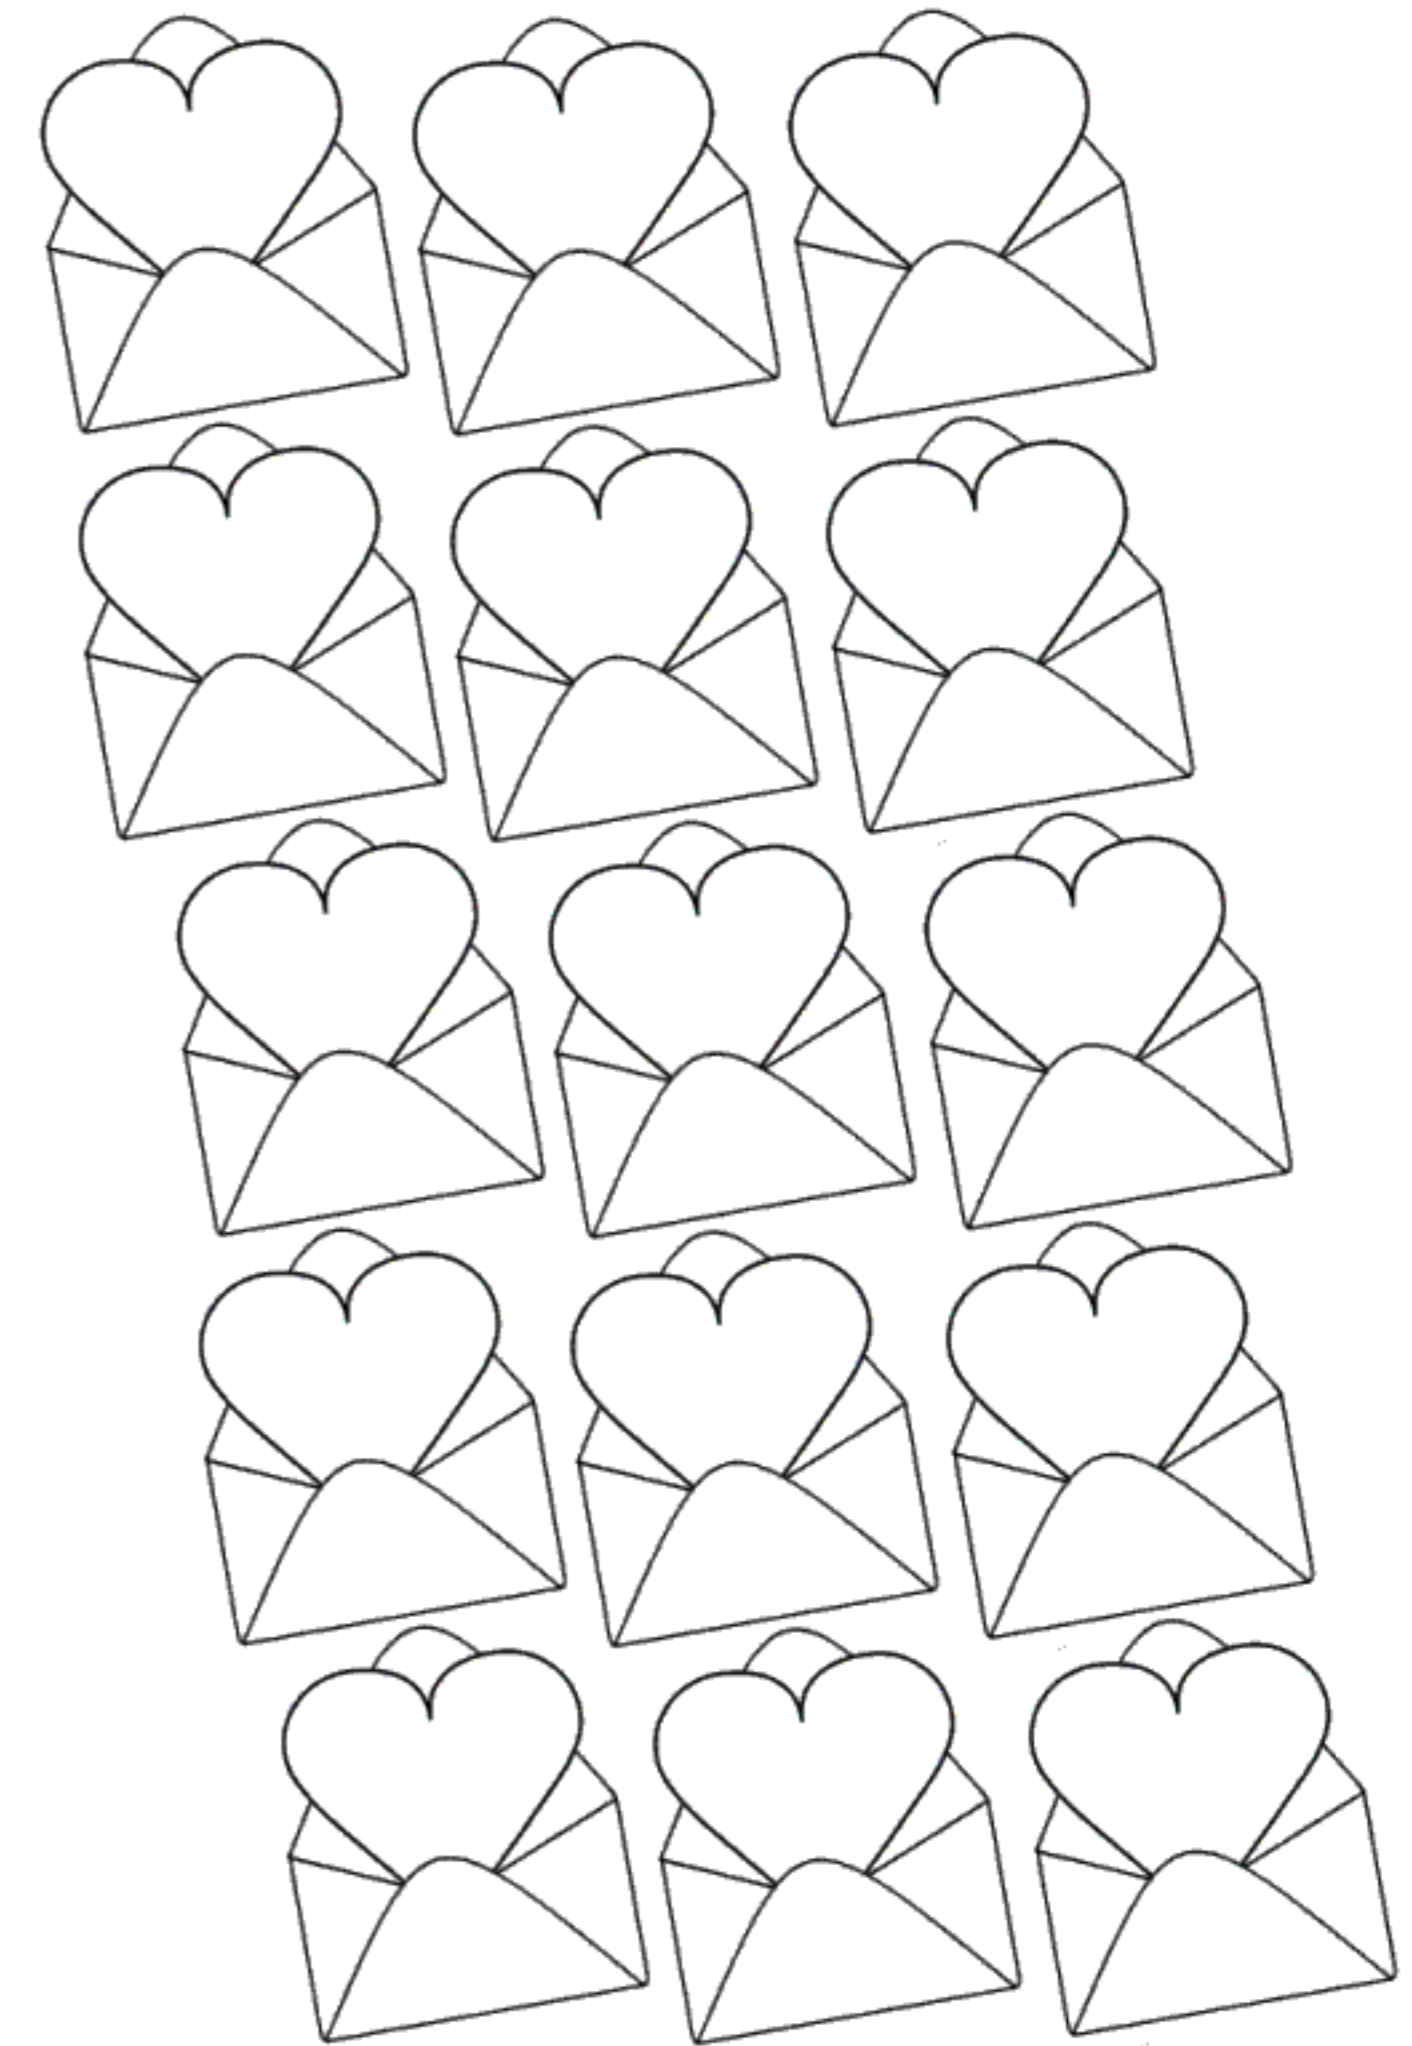

On Wednesday, three valentines came in the mail.

On Thursday, four valentines came in the mail.

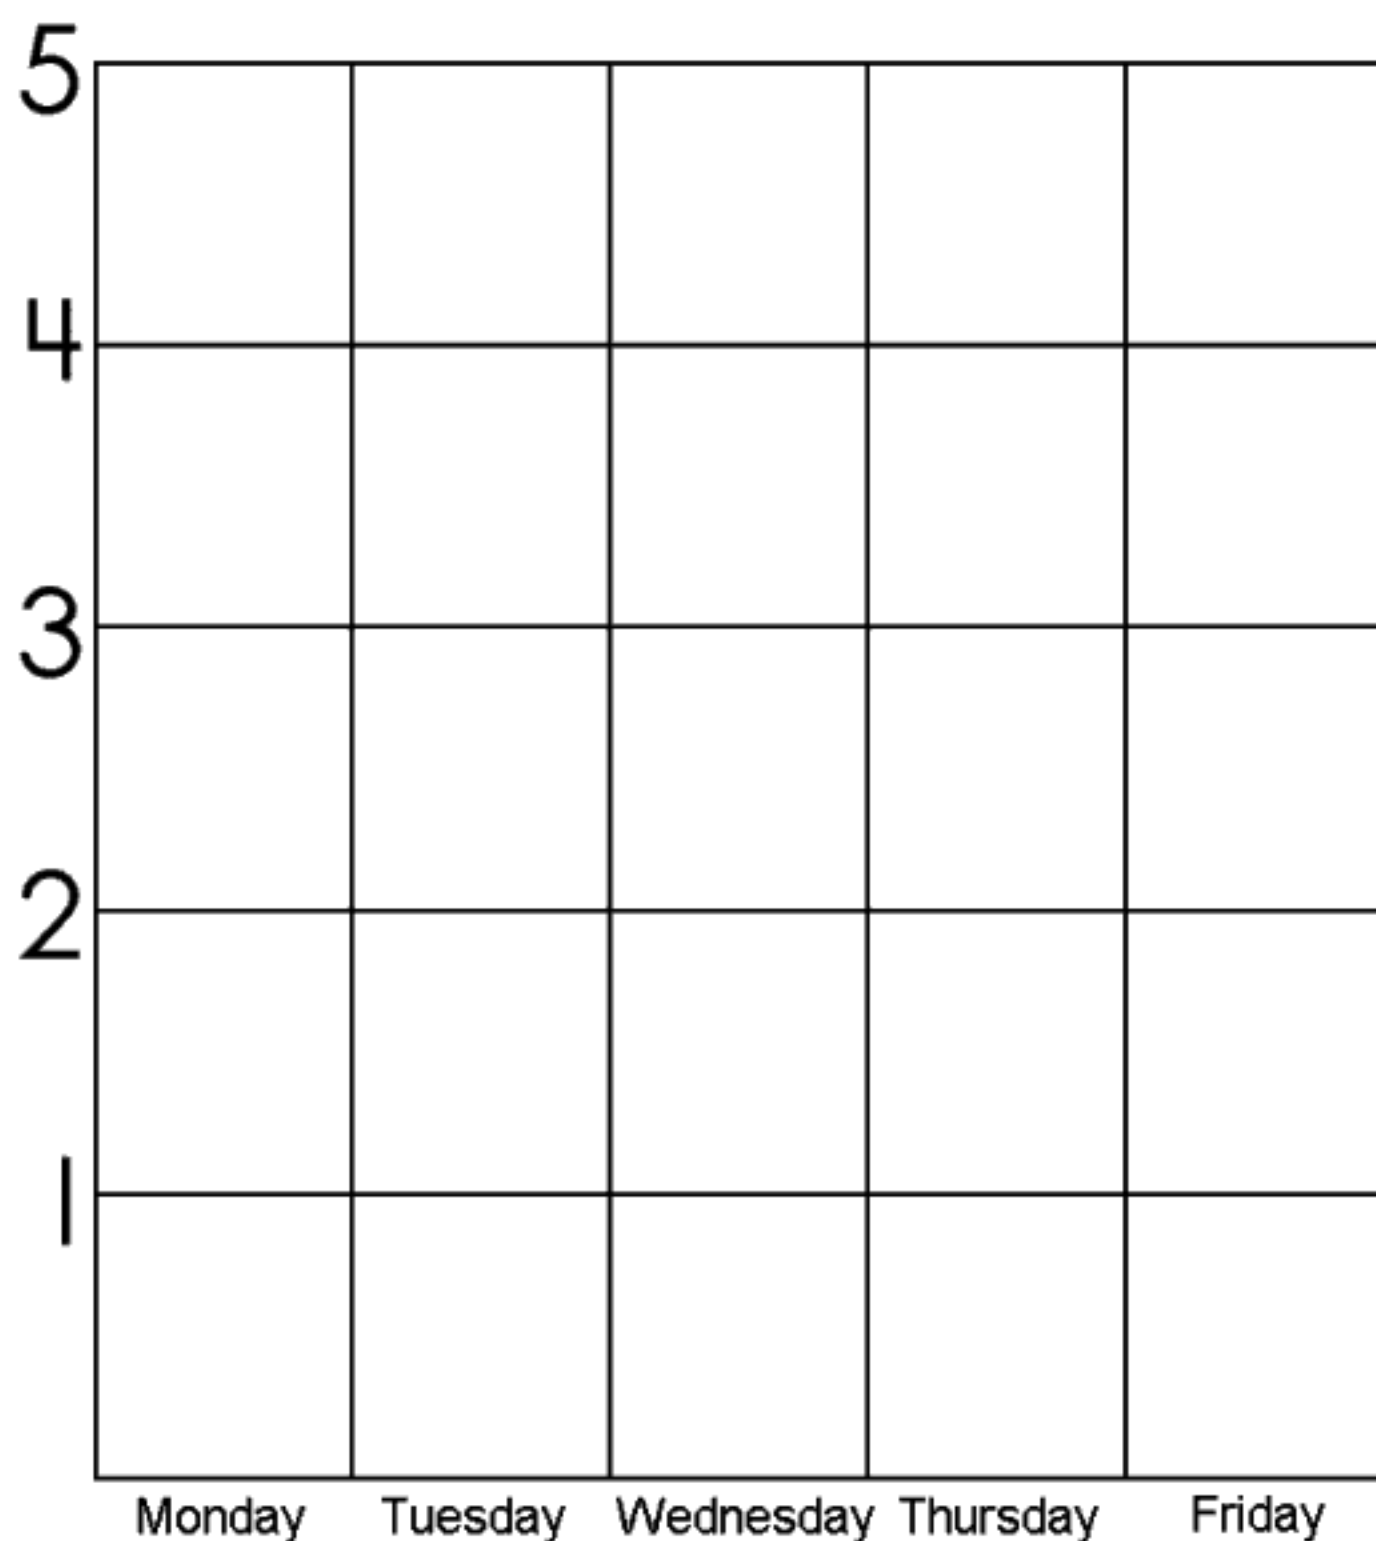

On Friday, five valentines came in the mail.

Wow, fifteen valentines for me!

How Many Valentine Cards?

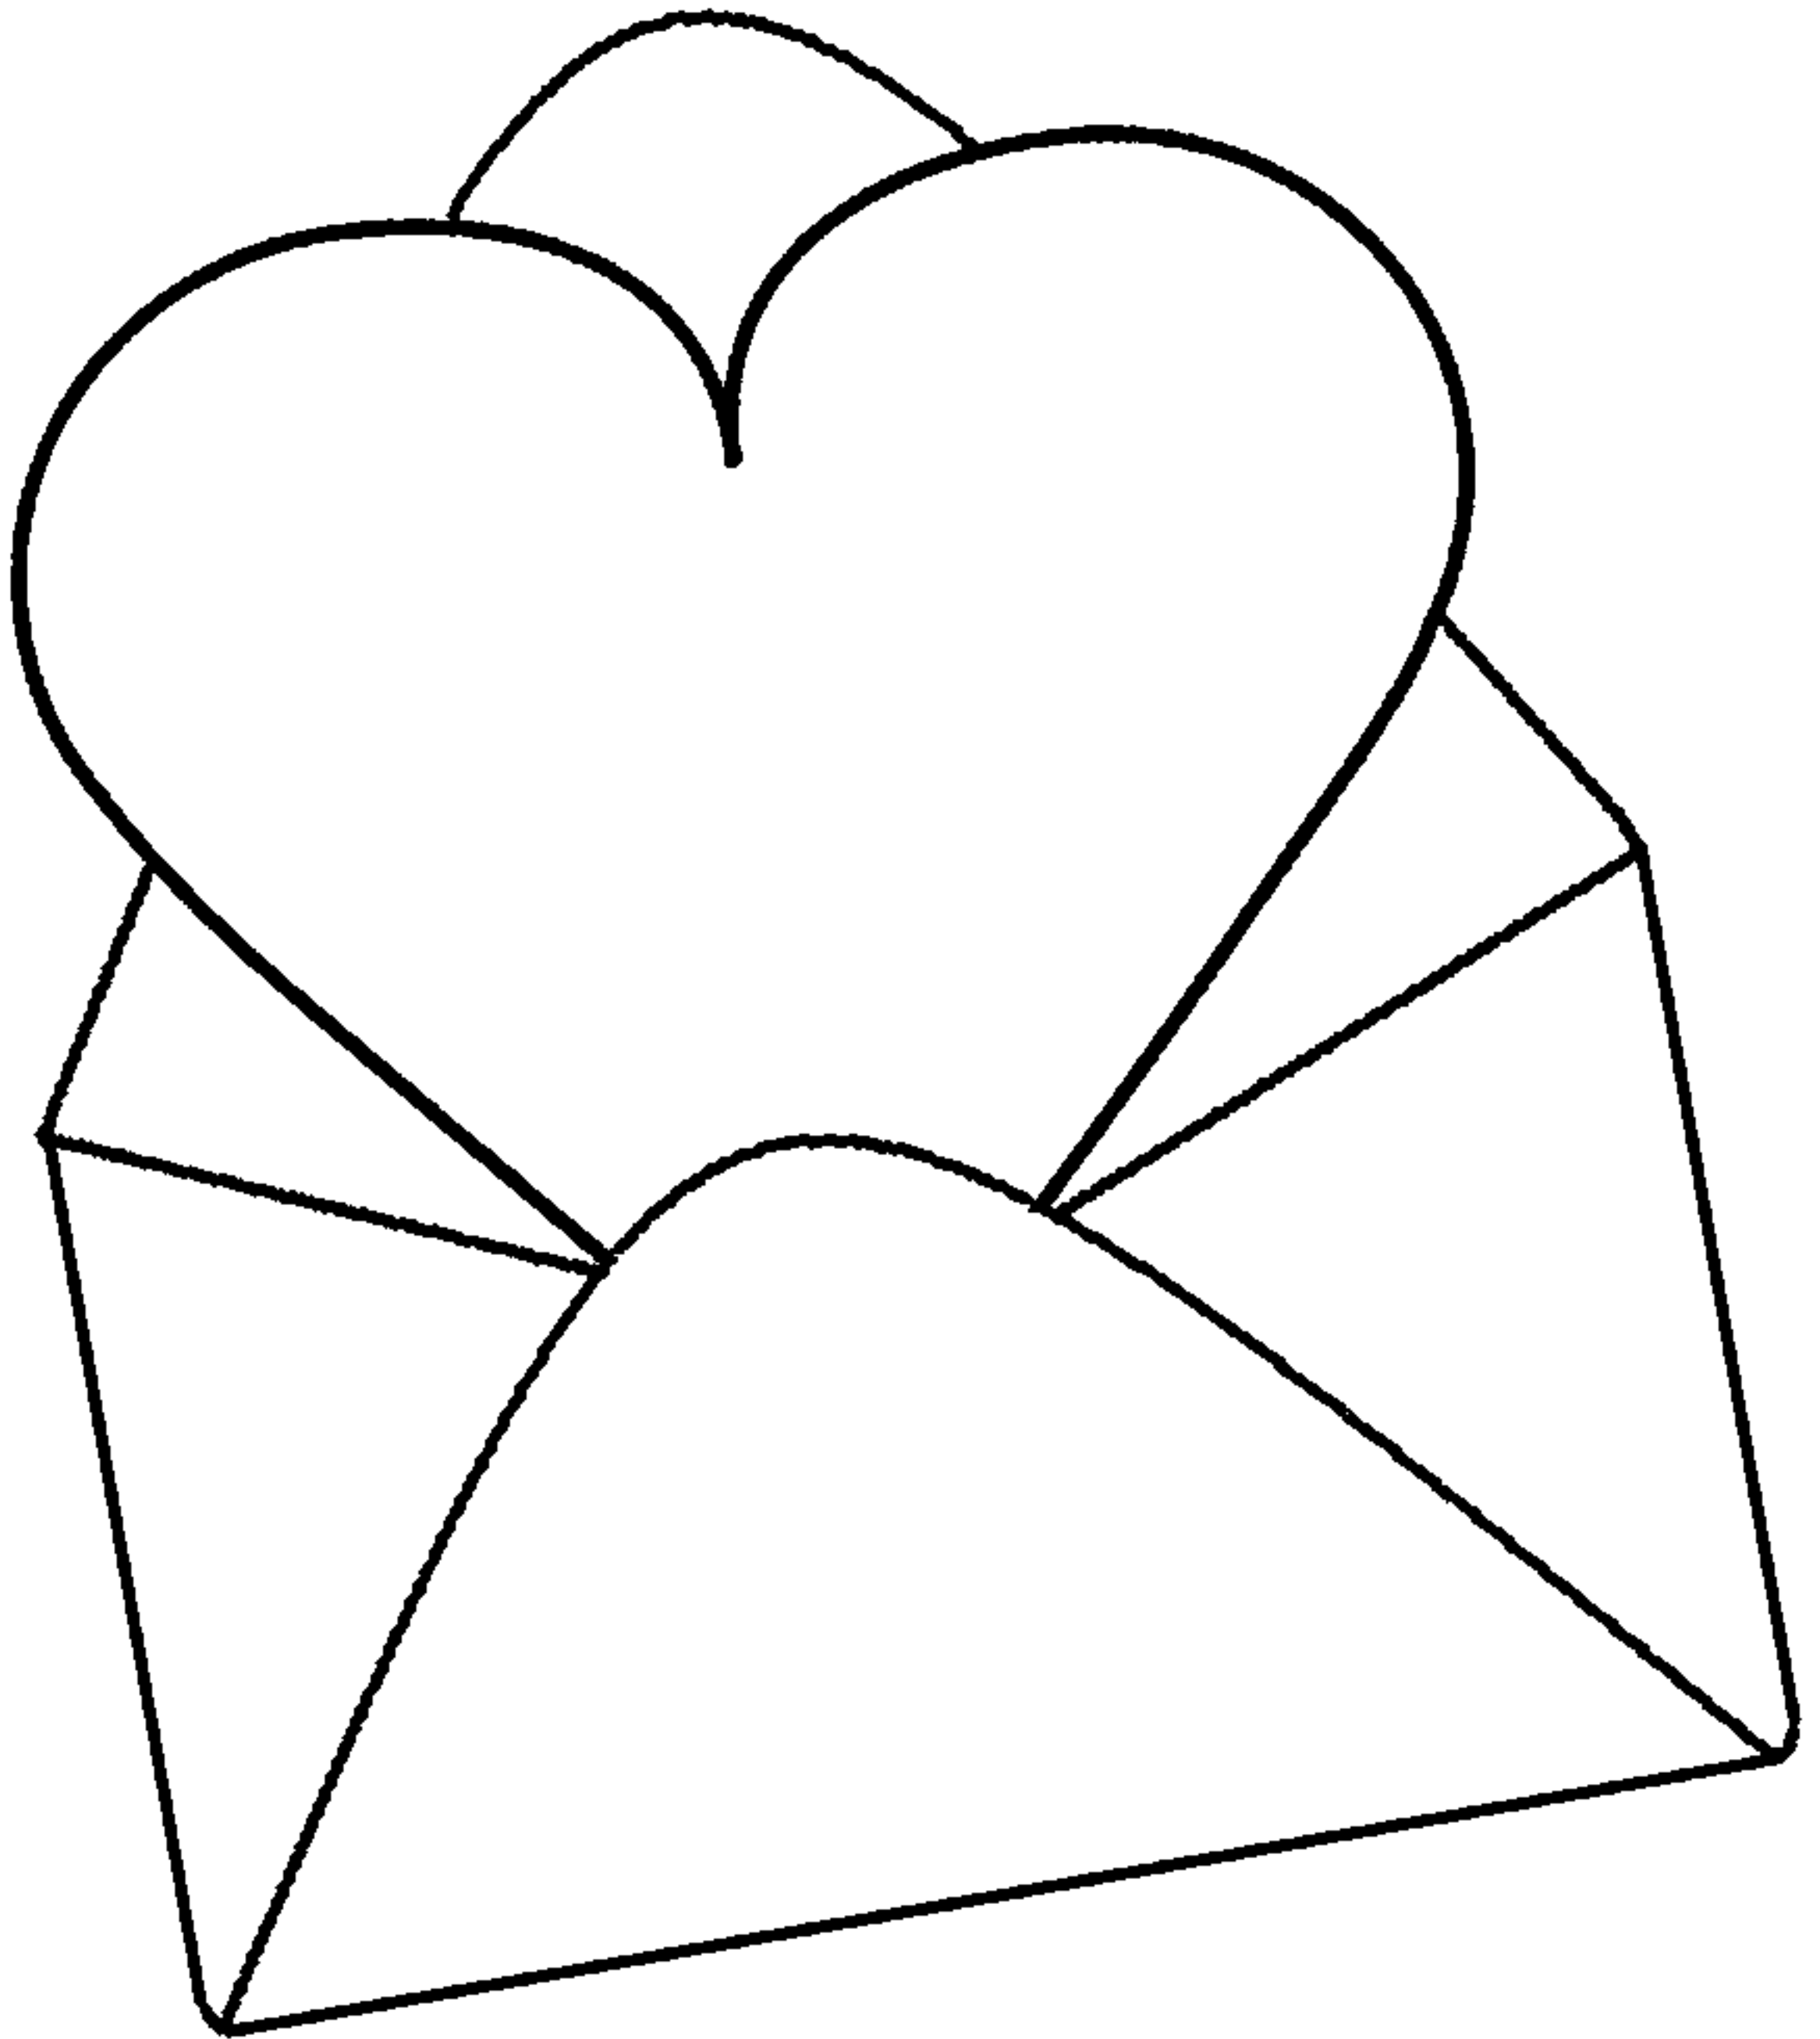

Read the story, fill in the graph, and answer the questions.

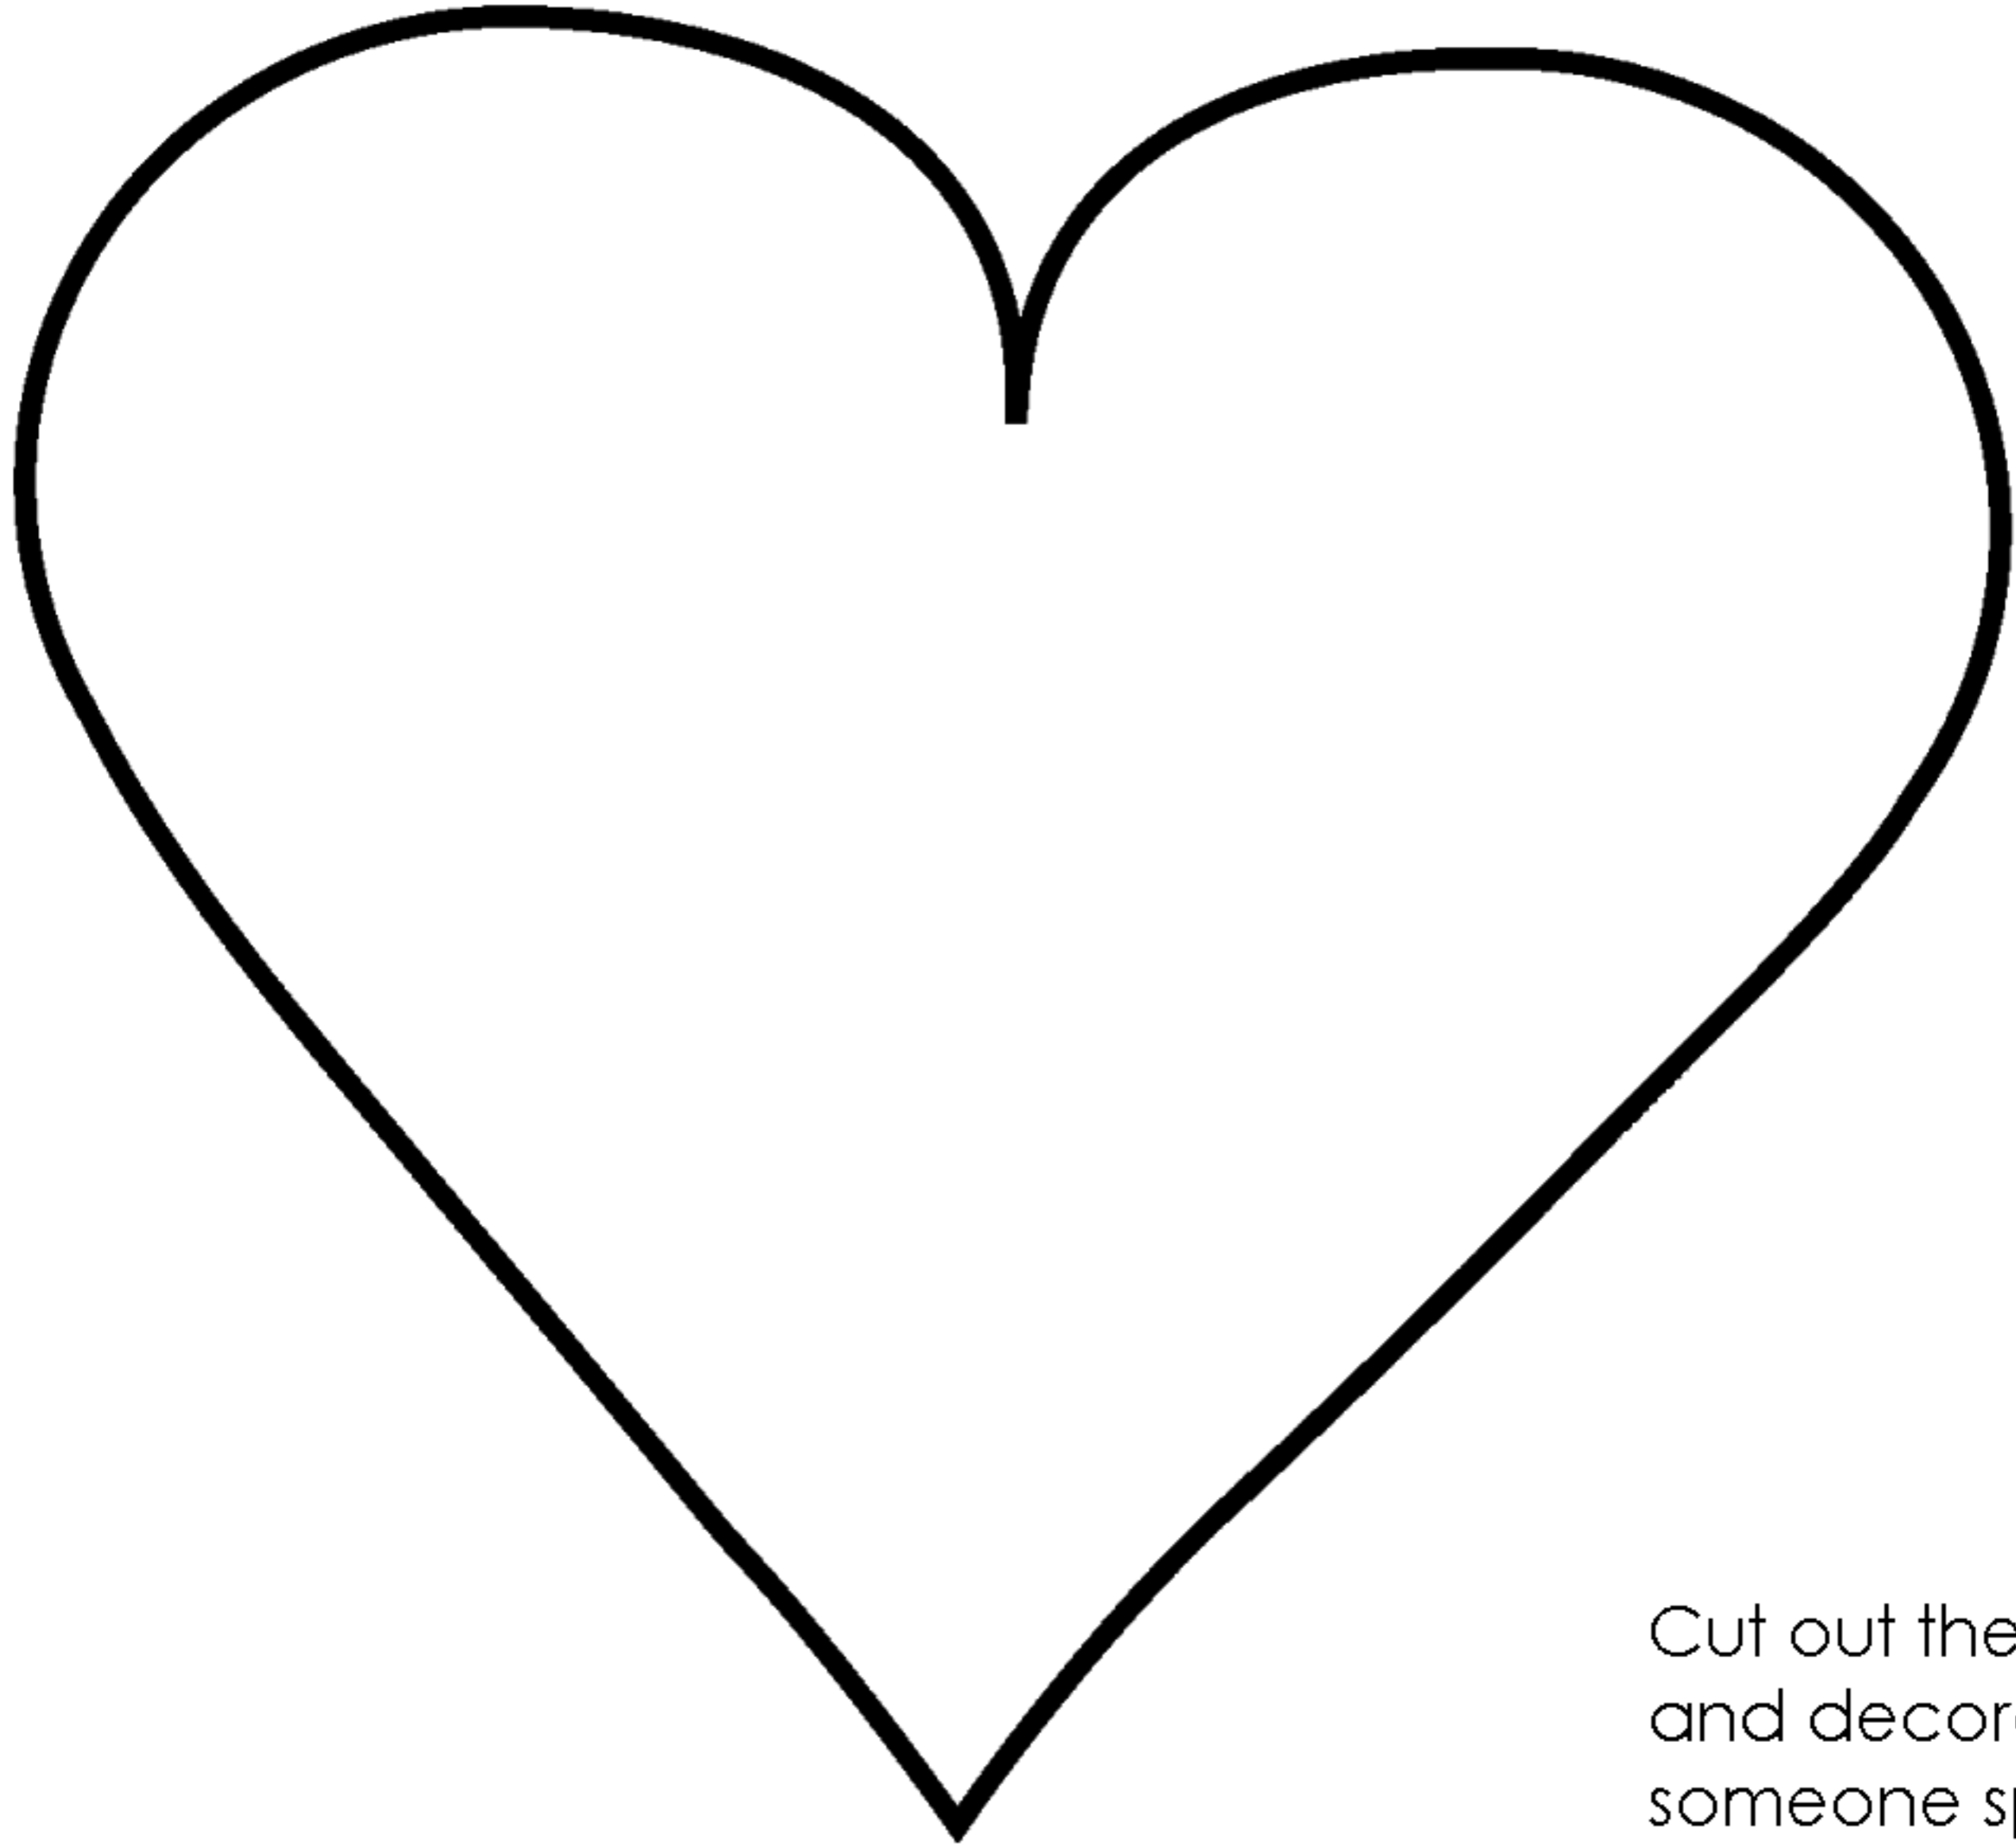

On what day did the fewest valentine cards come in the mail?

On what day did the most valentine cards come in the mail?

How many valentine cards were delivered in total?

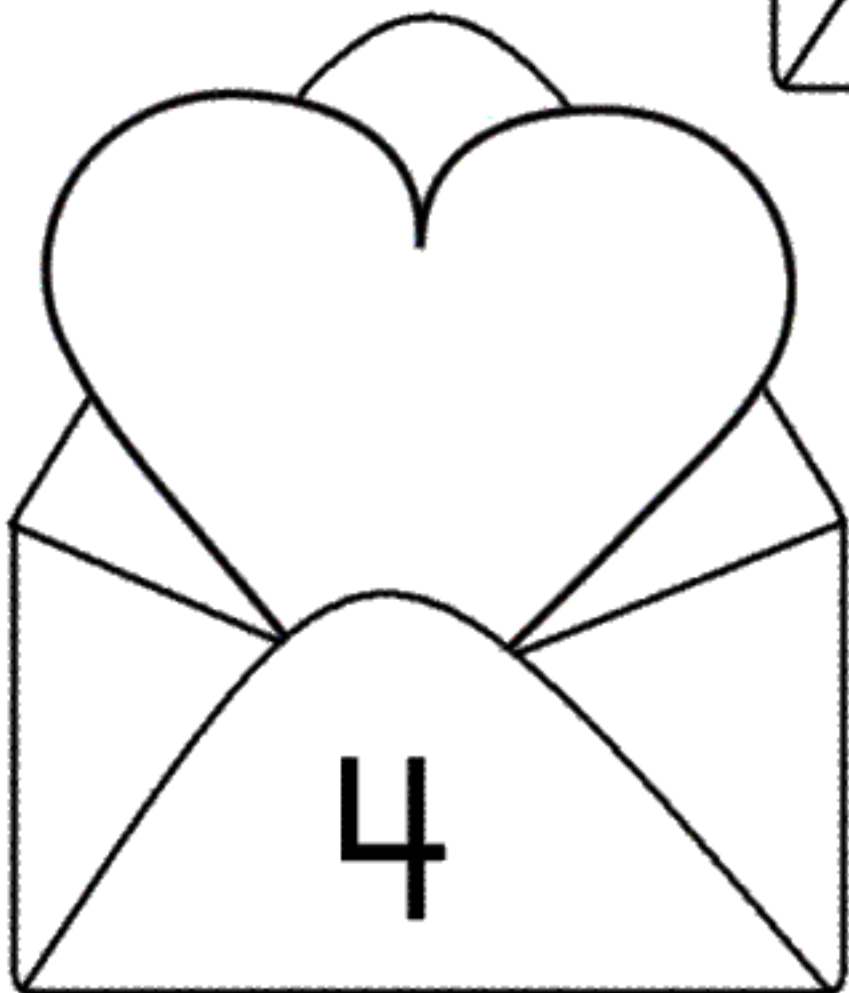

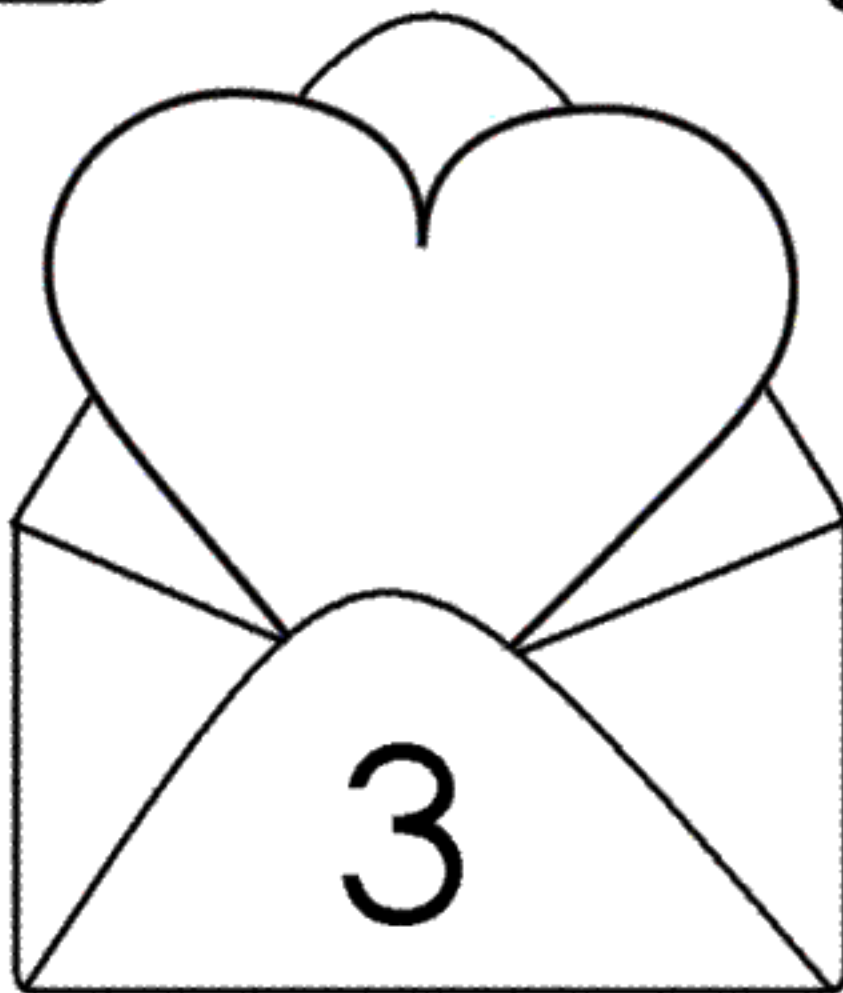

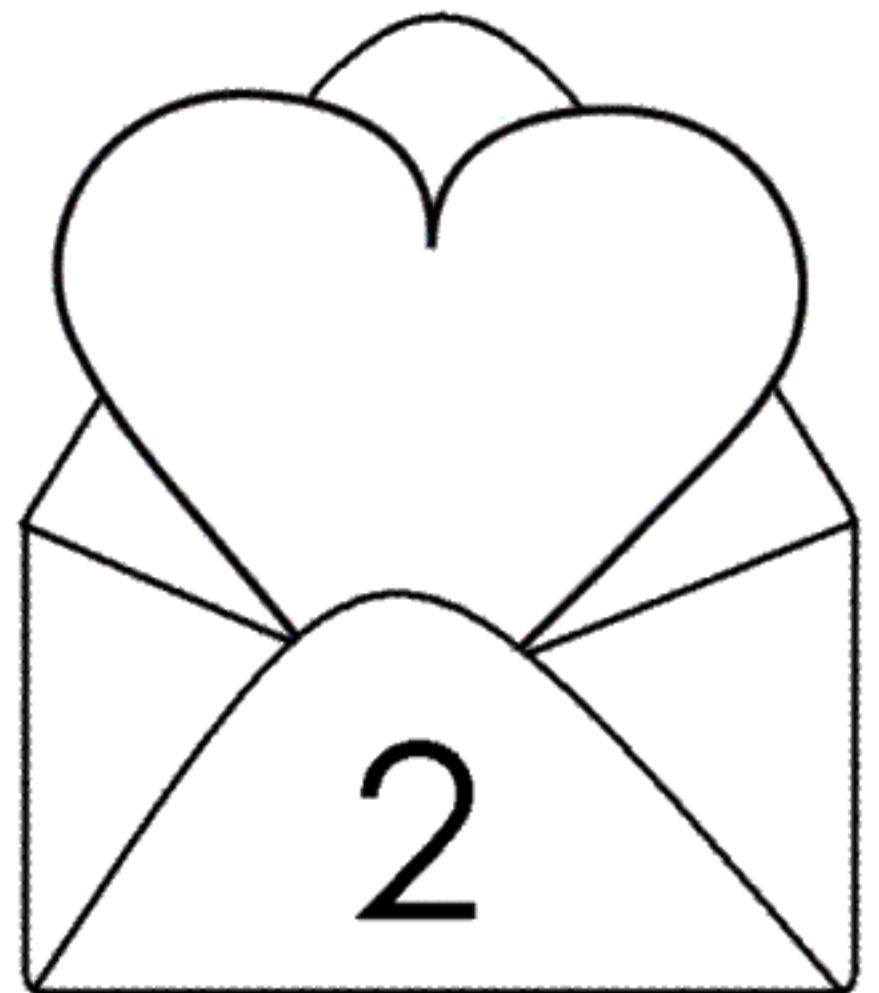

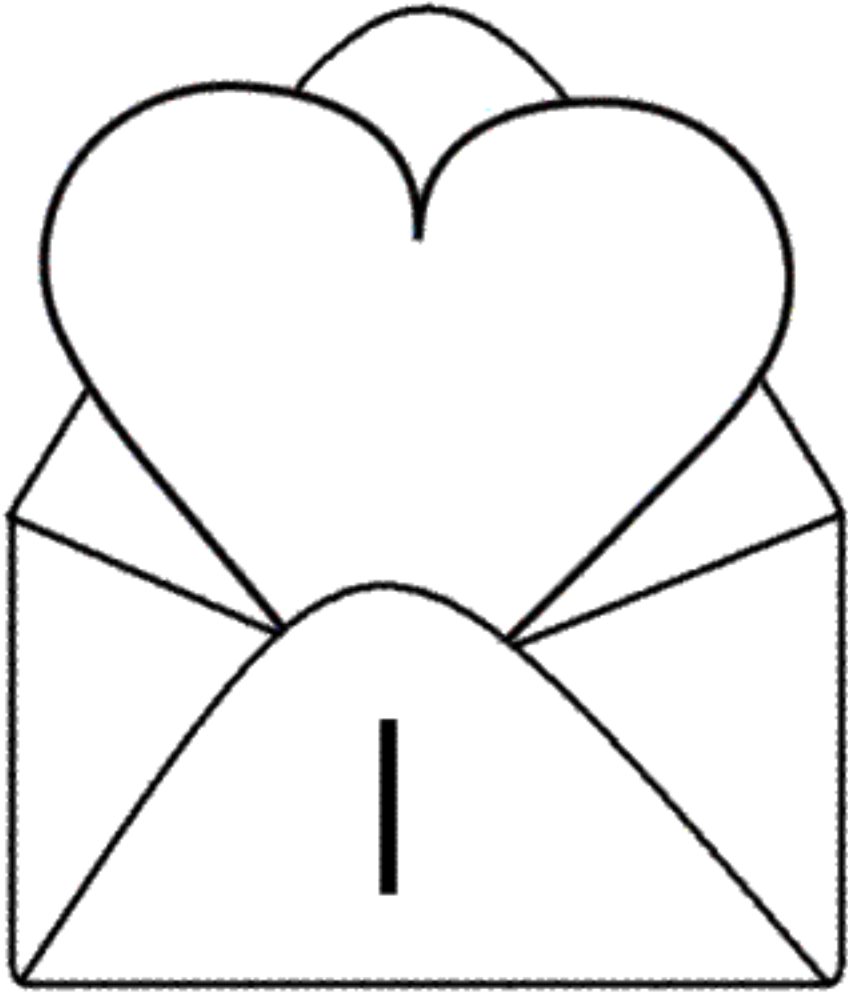

Cut out the heart
and decorate for
someone special.
