

A Little White Duck

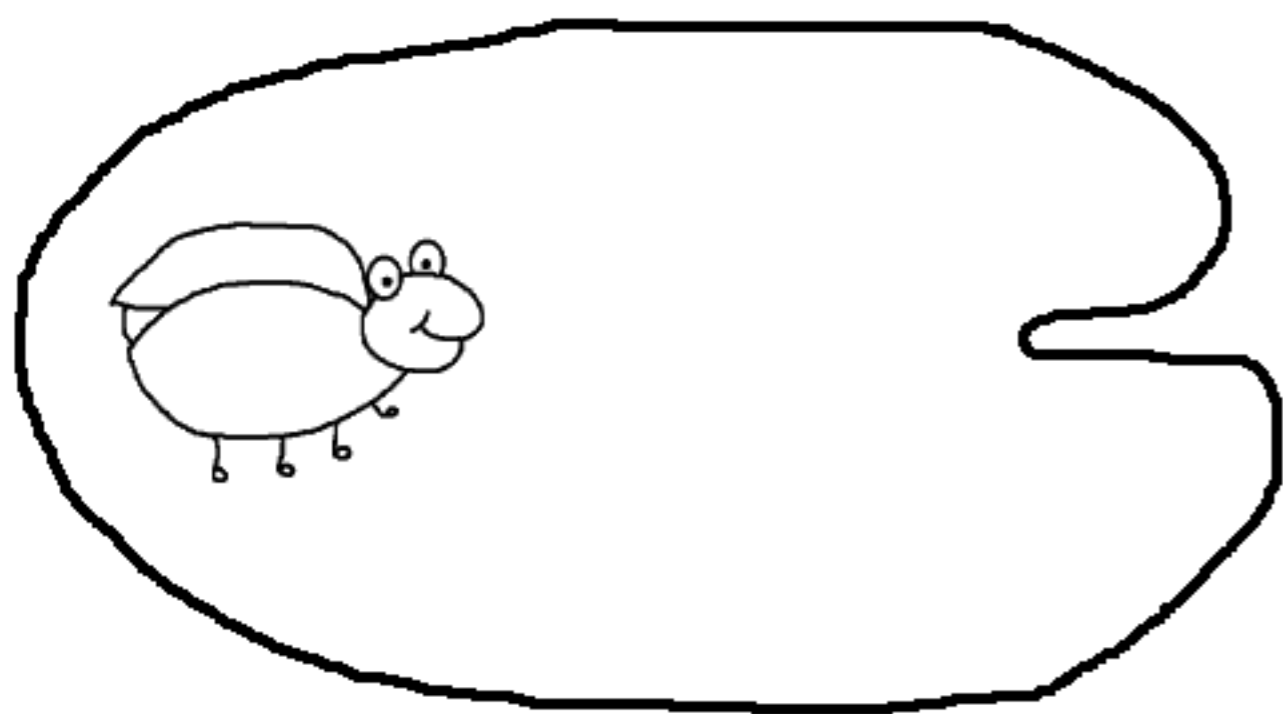

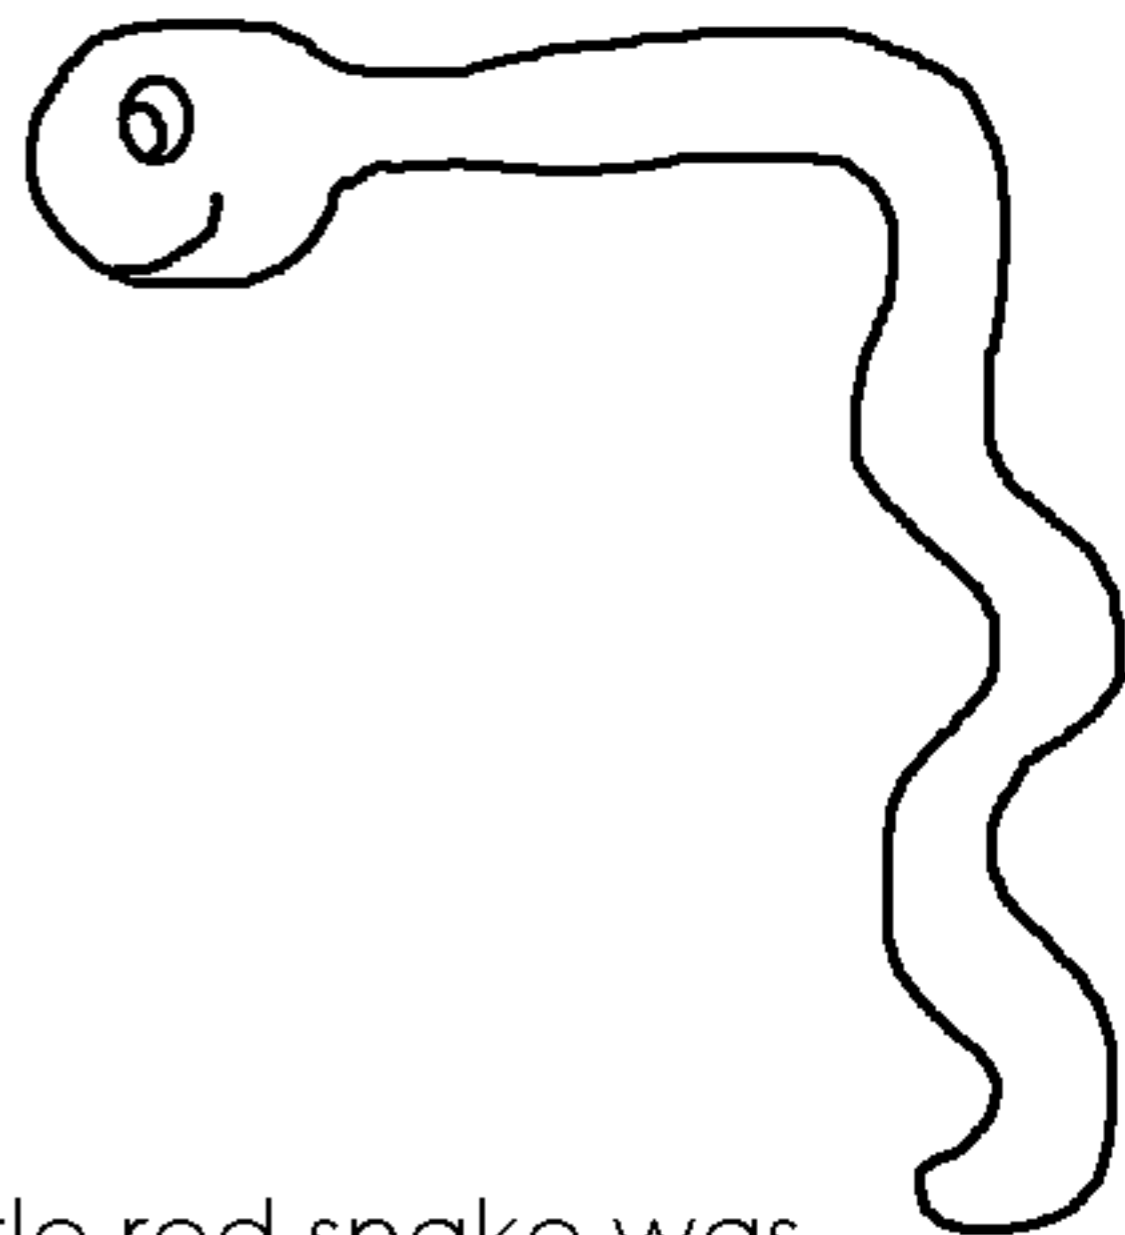

A little white duck was swimming in the water. She flapped her wings and she said, "I am glad I am a little white duck. Quack, quack, quack."

A little green frog was swimming in the water. He hopped up onto the lily pad and said, "I am glad I am a little green frog. Ribbet, ribbet, ribbet."

A little black bug was swimming in the water. She crawled onto the lily pad and said, "I am glad I am a little black bug. Buzz, buzz, buzz."

A little red snake was swimming in the water. He ate the bug on the lily pad and said, "I am glad I am a little red snake. Hiss, hiss, hiss."
