Bean Plant Lapbook

Assembling Your Lapbook

You will need 2 file folders to create this tri-fold lapbook. Add the cover page to the front. Place the graphing chart in the file folder. The emergent reader goes in the center. To assemble the reader, fold the pages in half glue. Put them in order and staple. Place the sequence and sorting games on the last section.

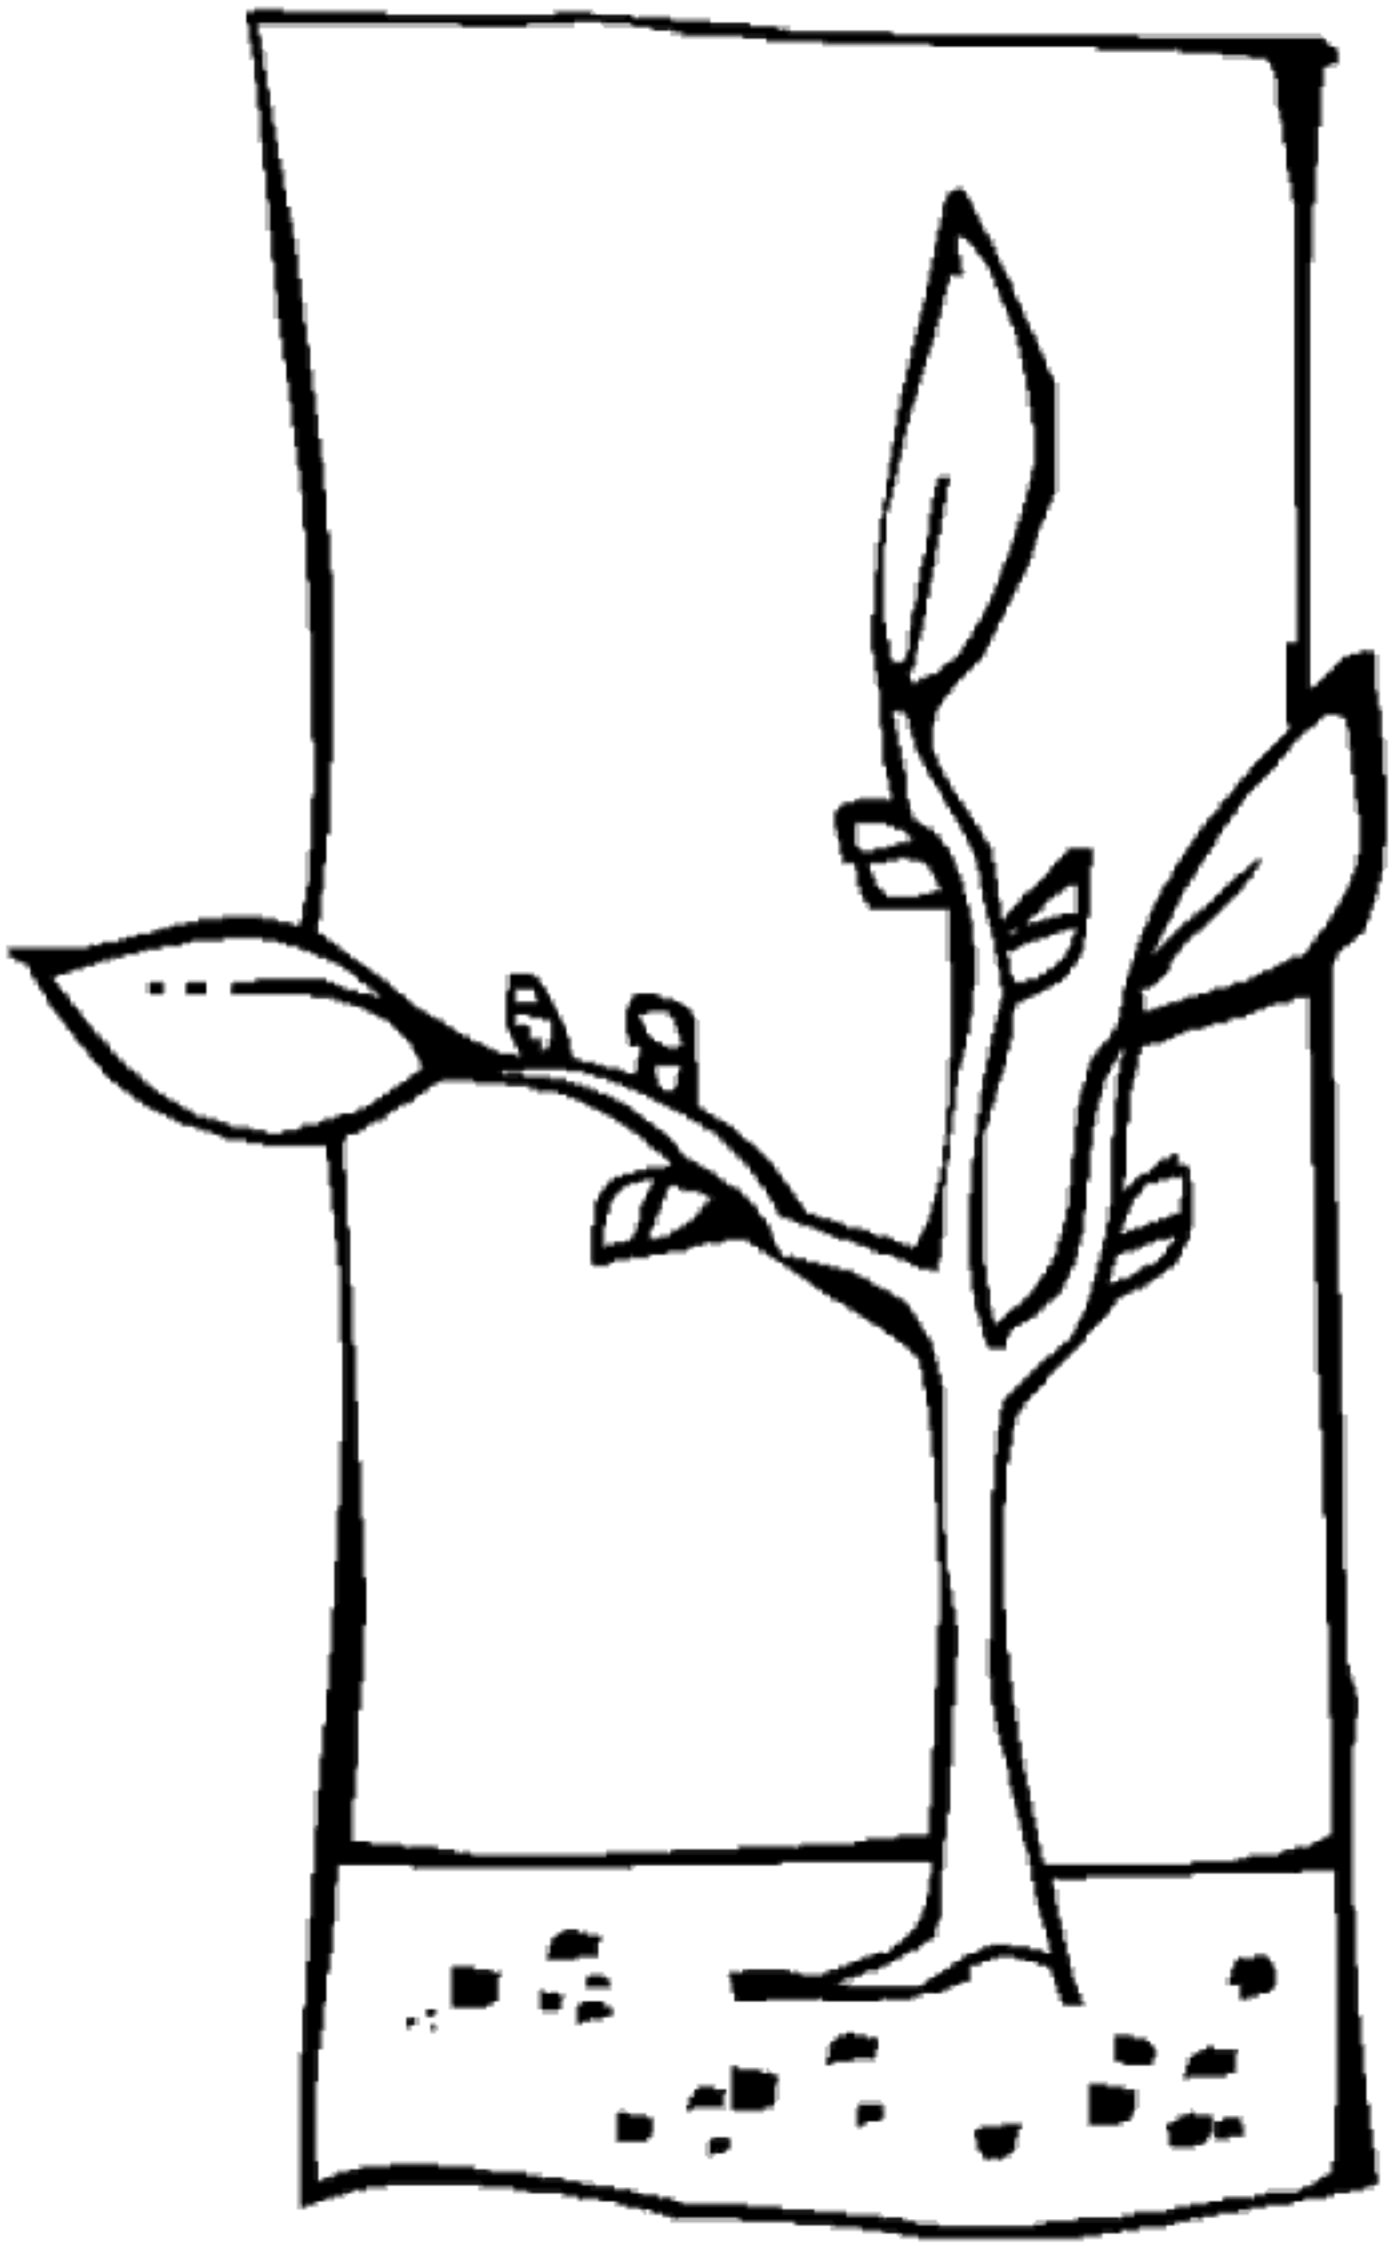
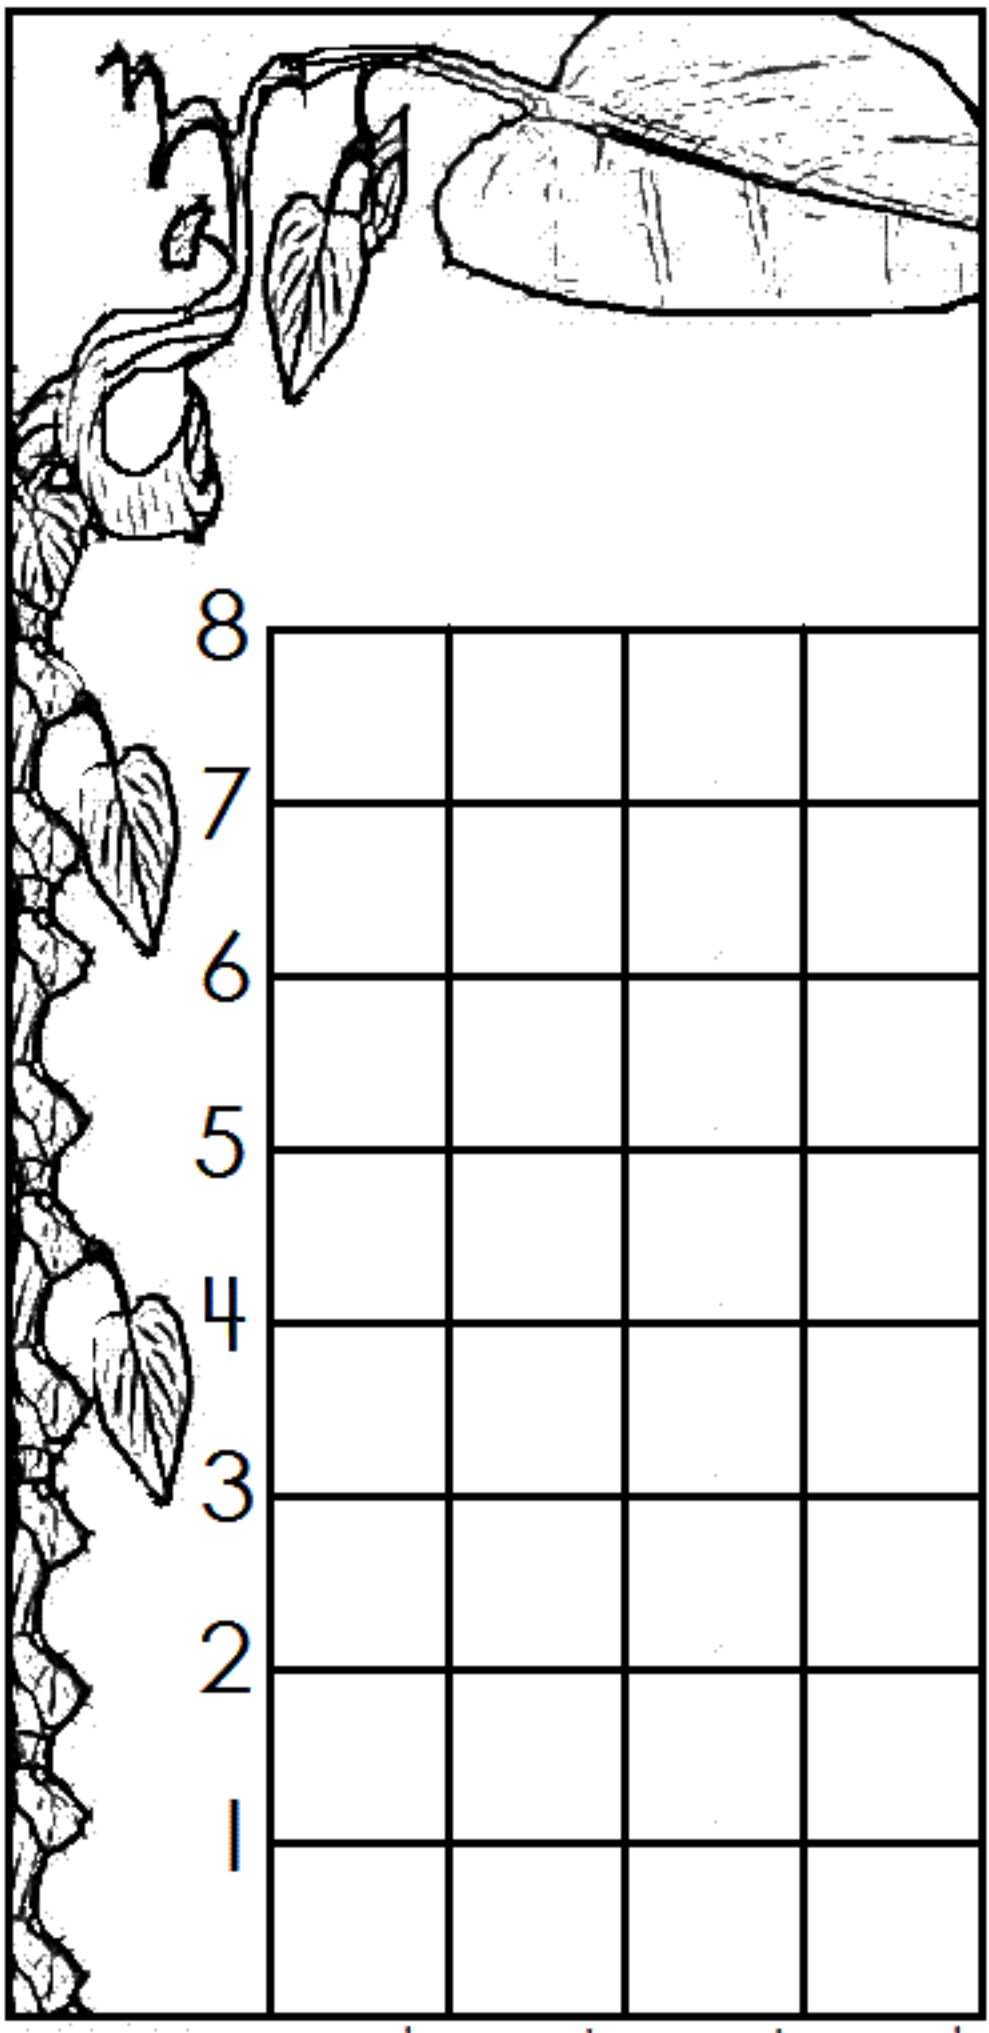
From Seed to Stalk

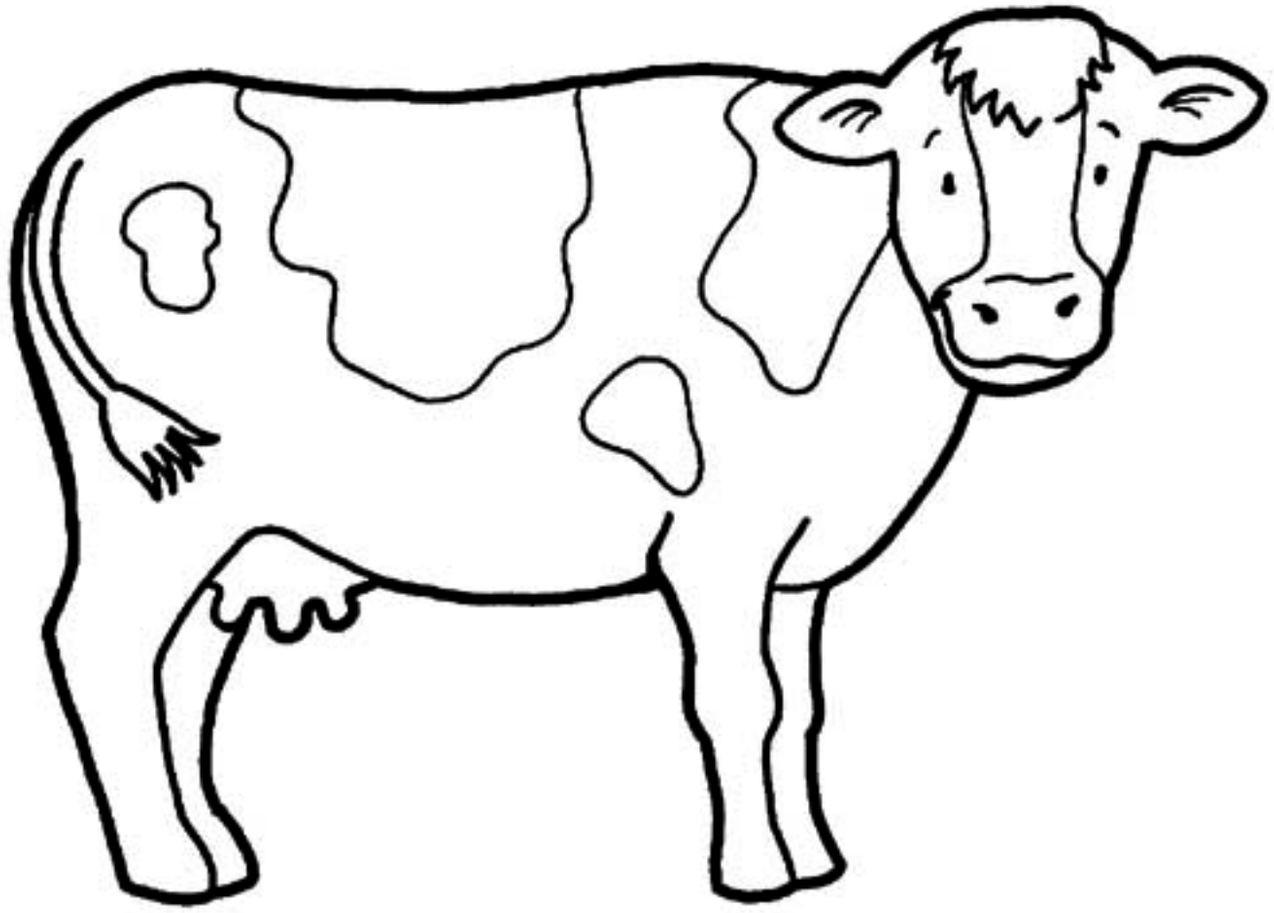


My Bean Plant Grew

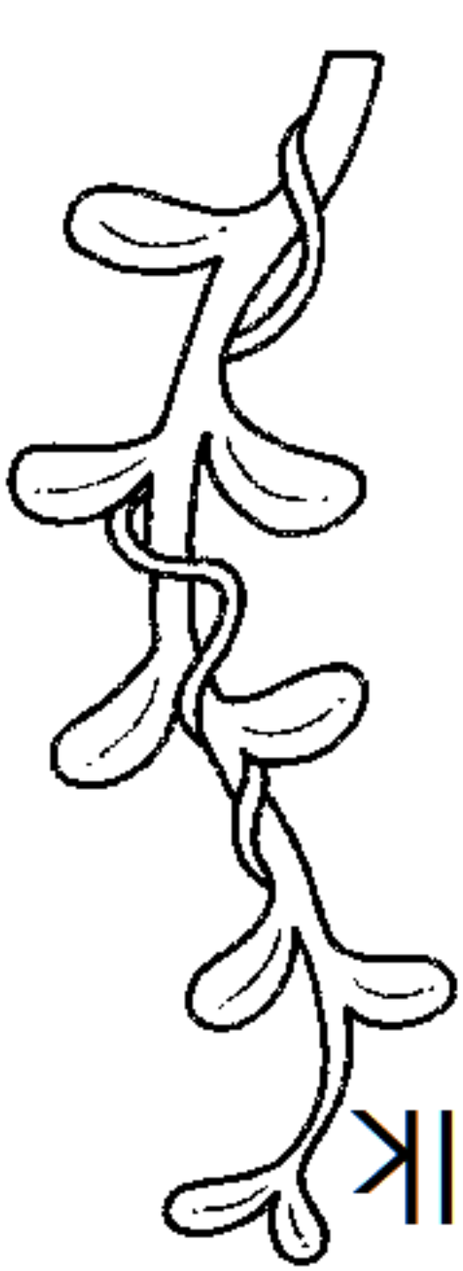


Jack and the Beanstalk

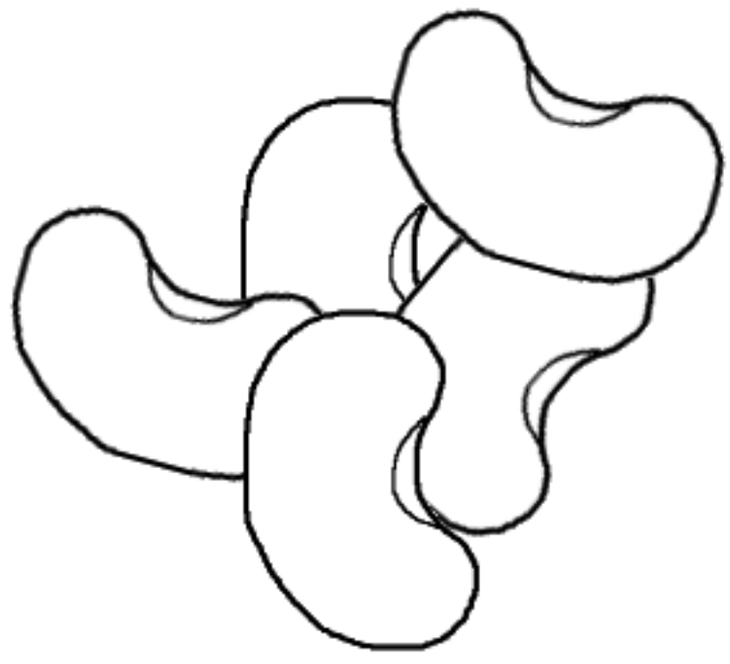
Print the envelope on card paper. Fold the back part up and the sides in and glue closed. Glue the back of the envelope to your file folder and place the book sideways inside.



Jack and his mother were very poor. They had to sell their cow for money. Jack was told to take the cow to market.

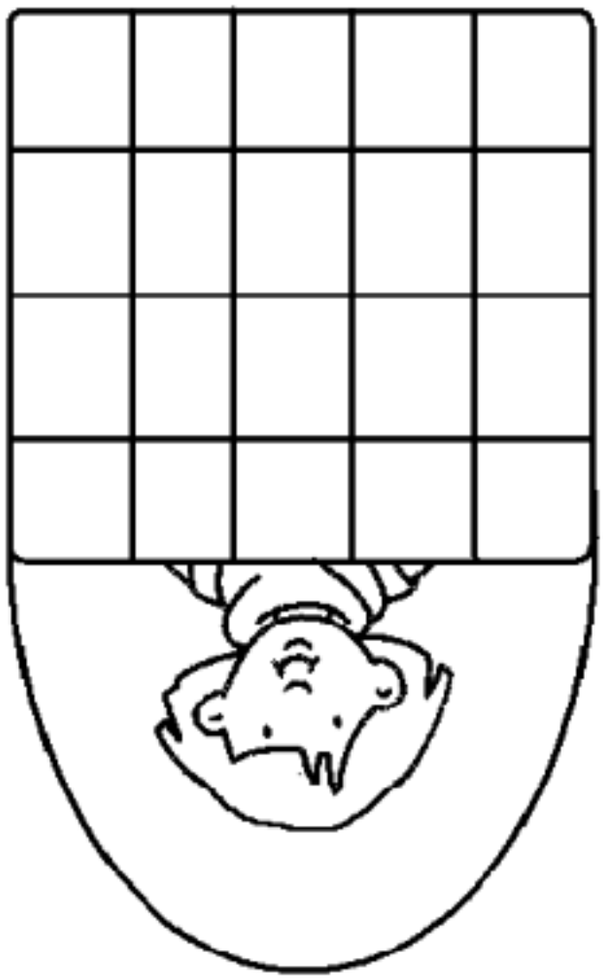


Jack and the Beanstalk



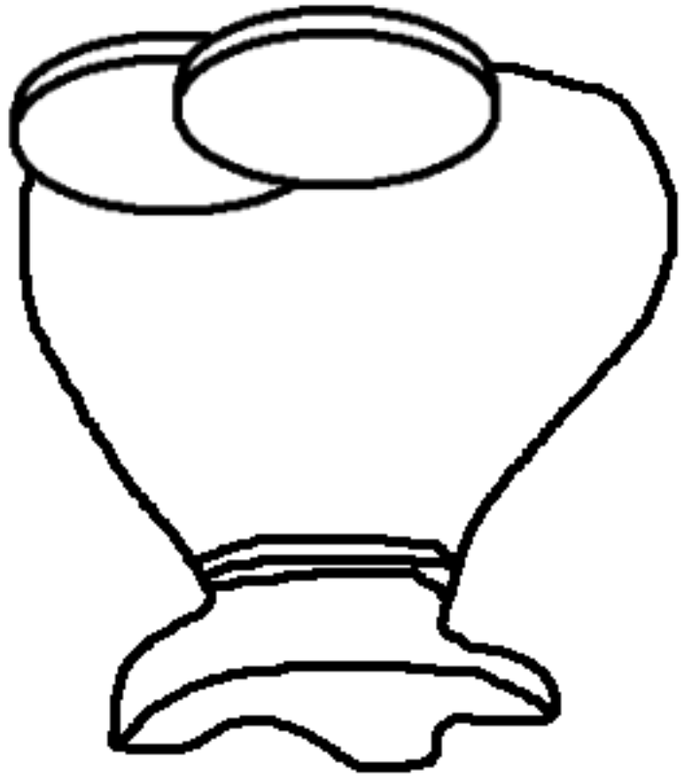
On the way to market, Jack met a man and gave him the cow for some magic beans.

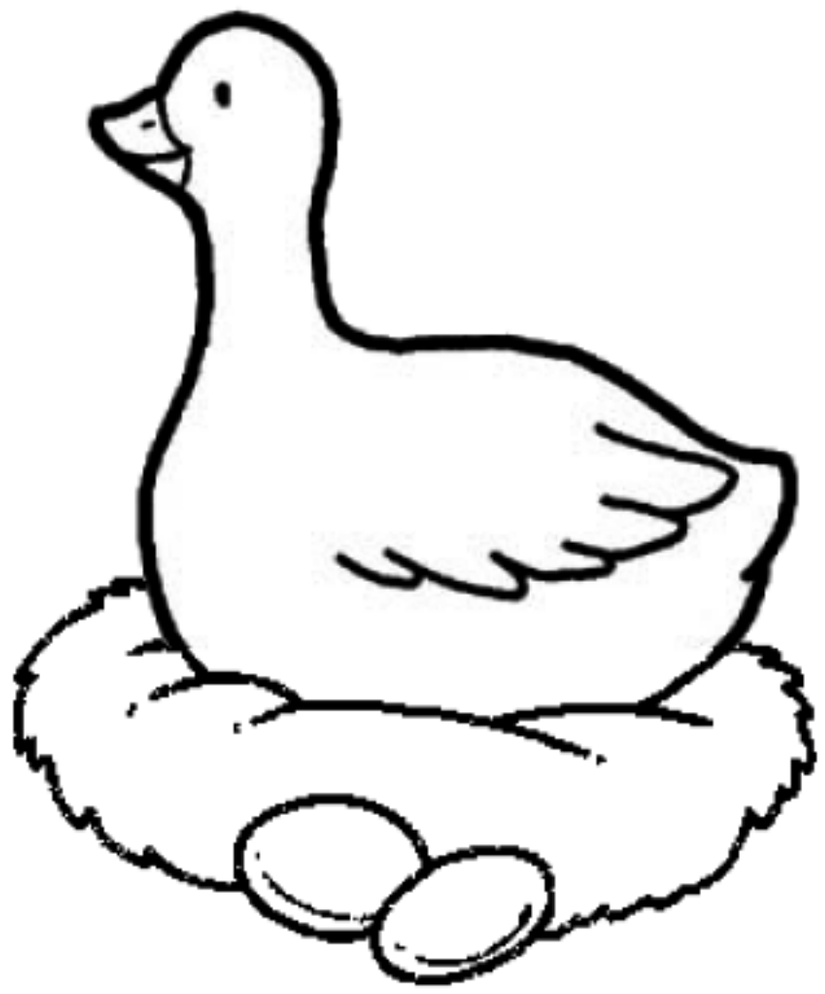
Jack's Mom was so mad she threw the beans out the window and sent Jack to bed without supper.



In the morning, Jack saw a beanstalk had grown to the sky. He went up it and saw a large land. He met a lady who gave him some food.

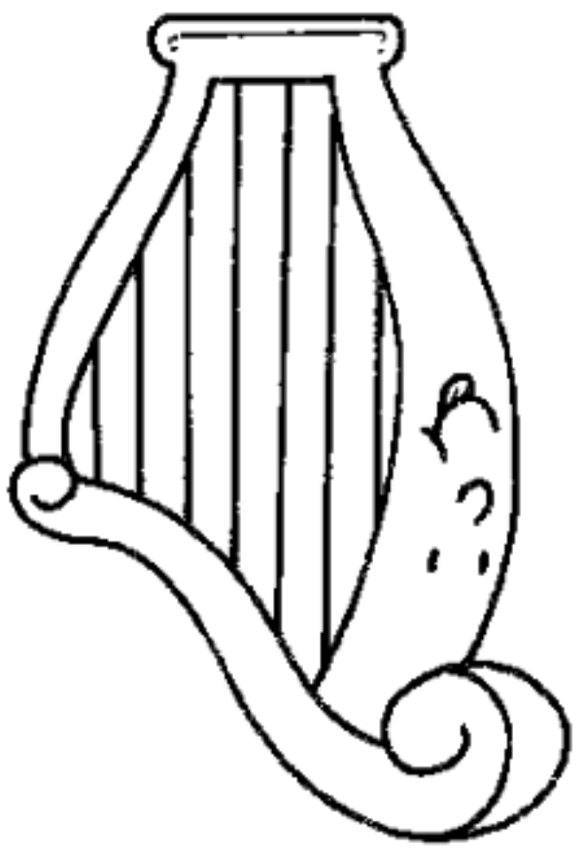
He was told of a giant that lived in the house. Jack had to hide from the giant. When the giant was asleep, Jack took a bag of gold and ran home.





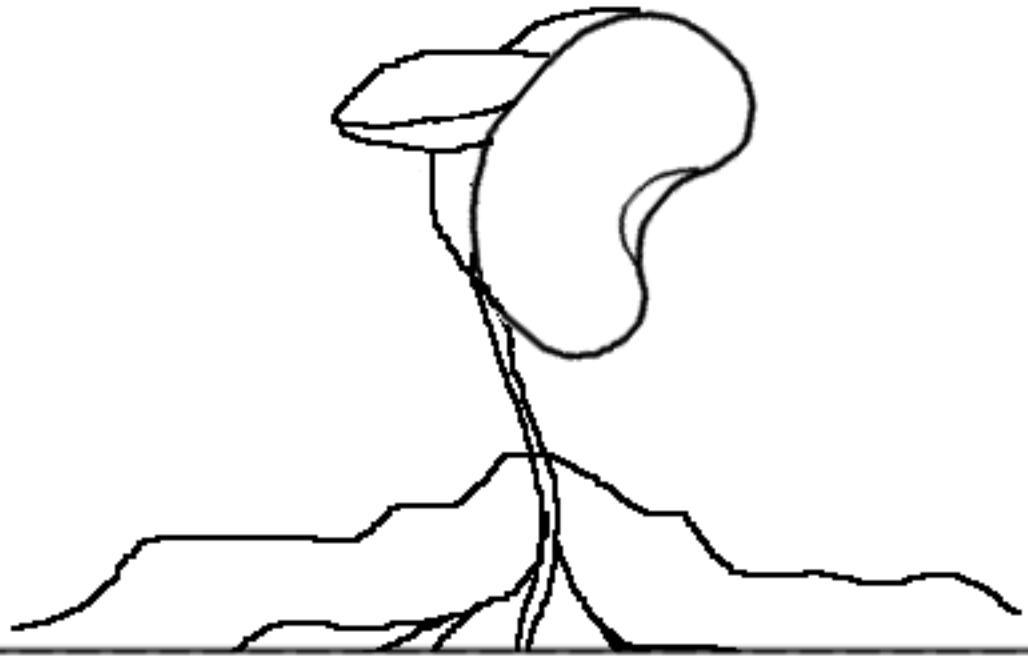
Jack went up the beanstalk again. This time he took a goose that laid golden eggs.

Jack went up the beanstalk again. He took a singing golden harp, but the harp called out for help. The giant ran after Jack

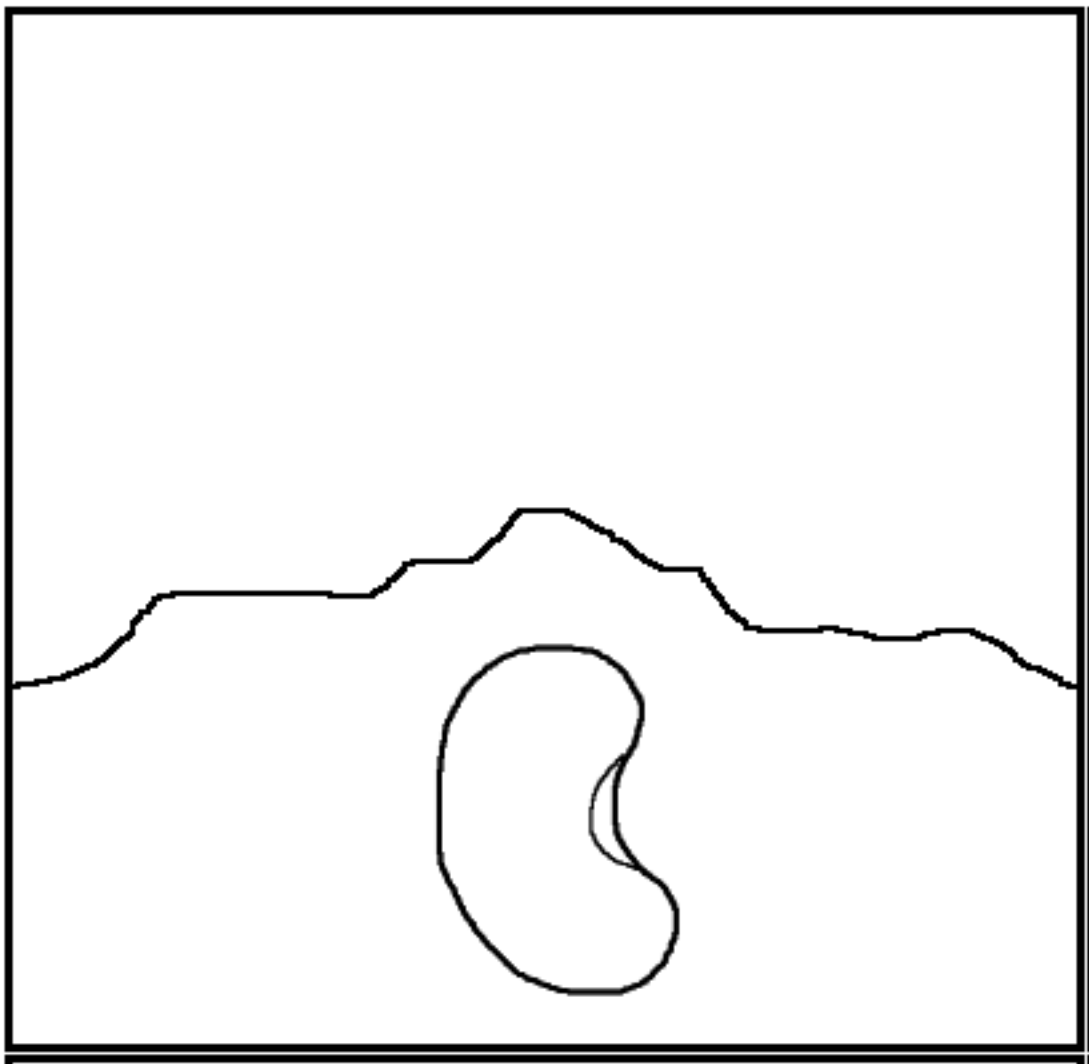


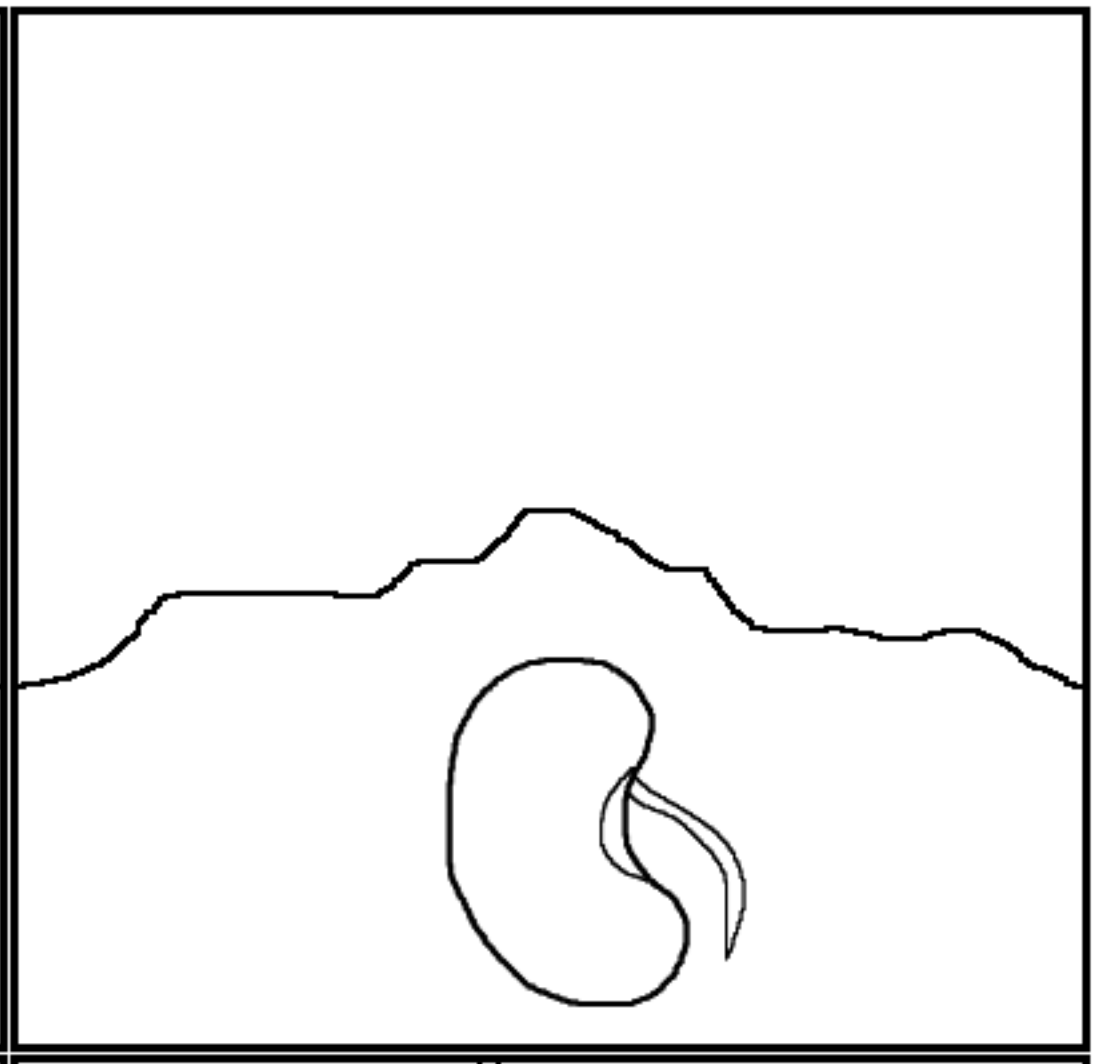
Jack went down the beanstalk and called to his Mom for an axe. He chopped down the beanstalk. Jack and his Mom lived happily ever after.

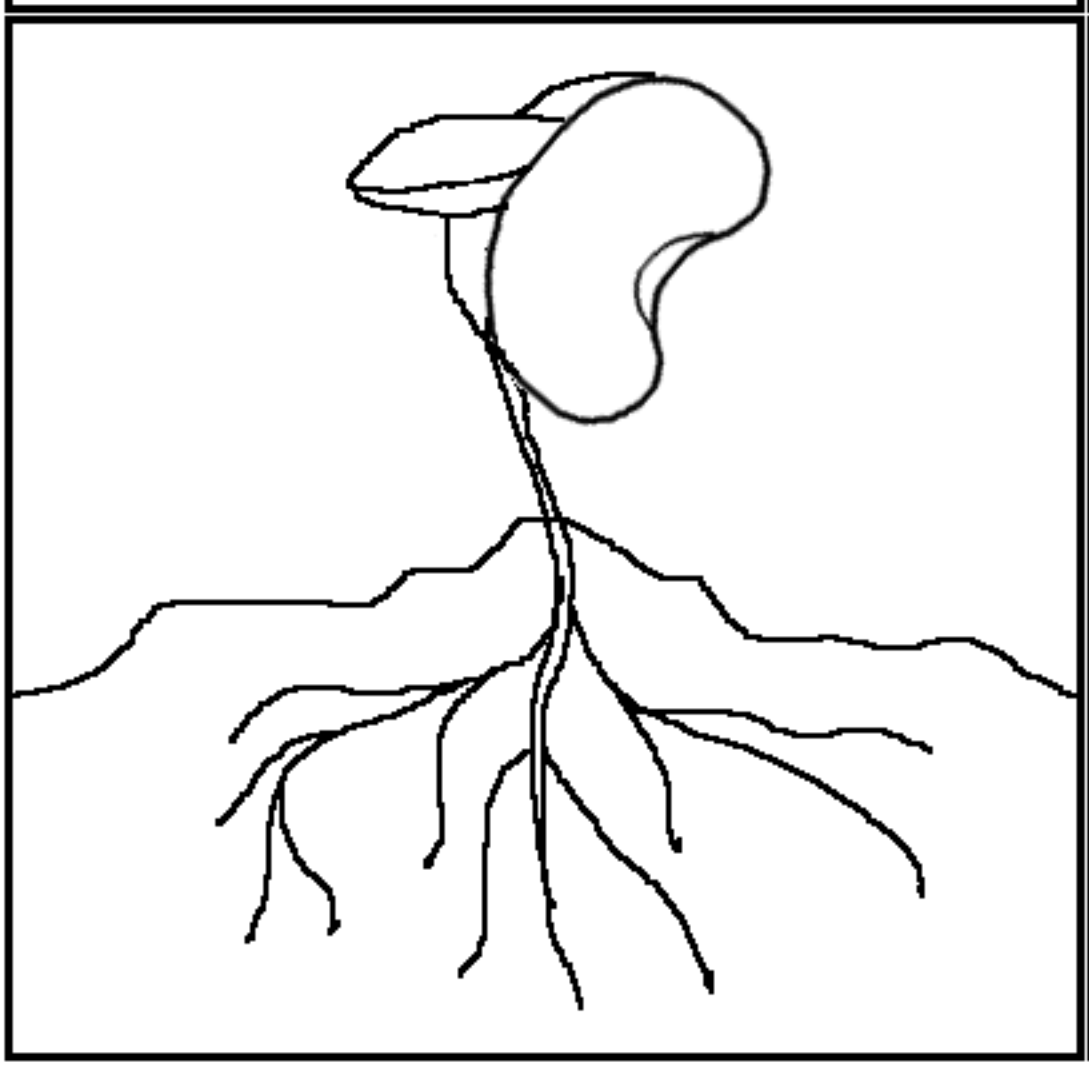
Lima Bean Plant Sequence Cards

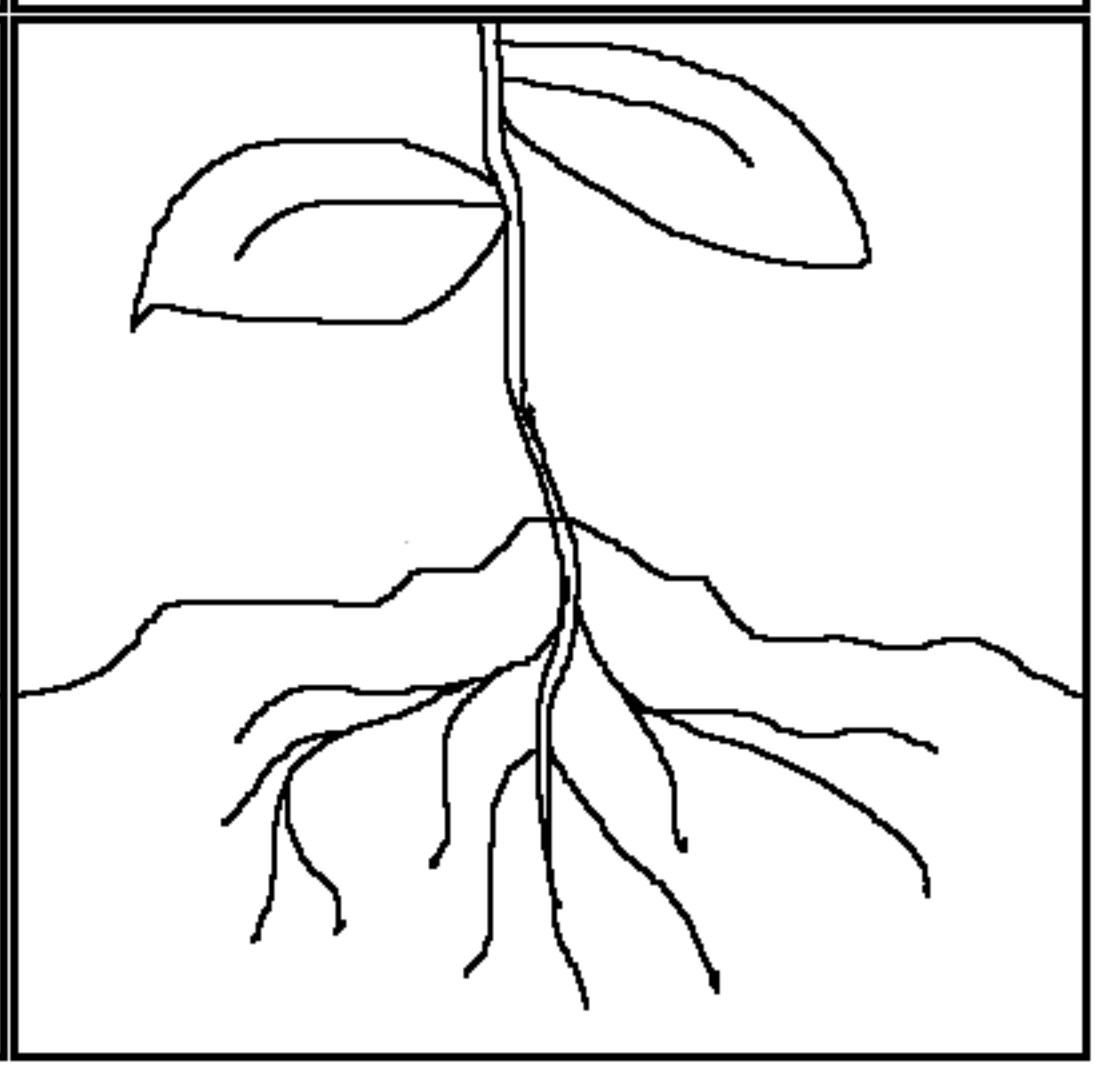


Print the envelope on card paper. Fold the back part up and the sides in and glue closed. Glue the back of the envelope to your file folder and place the sequence cards inside.









Hard G / Soft G

Sorting Game
