

Are You My Mother?

This sequencing activity was created as an extension for the story 'Are You My Mother?' by P.D Eastman.

Print both pages onto heavy card paper and then cut out. Laminating will ensure durability. Children start with the baby bird alone in the nest and then put the sequence cards into the order of who the baby bird asked 'Are You My Mother?' as they appear in the story 'Are You My Mother?' by P.D. Eastman then end with baby and Mommy bird re-united. This can also be made into a file folder game by tracing the card shape in the folder and numbering the spaces 1, 2, 3,... etc to 11.
