

14 Days of Love Valentine's Games Pack

A big thank-you to Ana for including me in this event!
Print the games on card paper. Laminating will ensure durability.

♥ How Many Valentines

Cut the strips out and cut along the dotted lines. Children give each child the correct number of valentines.

♥ Valentines In My Mailbox

Cut out the letter cards and children match them to the correct mailboxes on the matching mats.

♥ Roll-A-Valentine

Cut the two game boards leaving the numbered one intact and cutting the coloured image into strips. Children roll a die then place the correct strip on their puzzle board. The first one to complete their puzzle wins.
